Worker Killed, 10 Injured In Crashes

Steel Employee Hurt Fatally on Way Home To O'Fallon Yesterday

Ten persons were injured in seven traffic accidents this week on area streets and highways, and an employee of a local industrial plant was killed in a crash while on his way home from work.

While driving home from work at Granite City Steel Co. at 5:10 a.m. Tuesday, Richard H. Haukapp, 21, O'Fallon, was killed in a head-on collision on the Silver Creek Bridge on Route 50, two miles west of Lebanon.

Also killed in the crash were three of the eight employees in the other auto, headed for National City. The other two were seriously injured. The Swift Butcher and Packers resided in Breese, Albers, Danville and Carlyle.

Mr. Haukapp, whose survivors include a 14-month-old son, Brent Richard Haukapp, was taken to a Lebanon funeral home.

Four Persons Injured
 Four persons were injured when autos driven by Mrs. Catherine Sheppard, 67, of 2130 East 24th street and Mrs. Virginia Ahrens, 31, of 211 Briarwood, collided at Route Three and By-pass 86 at about 7 p.m. Tuesday.

Admitted to St. Elizabeth Hospital at 7:30 p.m. today, the Quad City Ministerial Association will sponsor its annual Christmas Thanksgiving service, to be held this evening at Central Christian Church.

Madison and Venice churches will hold joint services at the same hour tonight, at the First Methodist Church of Venice.

Many Quad-City churches also plan special choral programs and caroling services at various times tomorrow.

Groups of local high school football enthusiasts plan to spend tomorrow morning in Belleville, site of the 51st annual "Turkey Day" game between the Belleville West Maroons and East St. Louis Flyers.

Granite City Optimist club members announced earlier this week that they would meet at next week's luncheon meeting until Thursday.

Yule Season to Begin
 As in past years, the Thanksgiving Day holiday signals the start of pre-Christmas seasonal activity, heralded by the arrival of Santa Claus at 9 a.m. Friday, at the McKinley Bridge, Venice.

The jolly old gentleman will lead a parade through the Quad-Cities, visiting suburban shopping centers before taking up residence in his log cabin at 18th street and Edison avenue. He is to be accompanied by Lois Huelkamp, Miss Granite City.

Yuletide decorations and colored lights erected by area merchants will go on display Friday evening.

At noon Saturday, the annual "Tree of Lights" kickoff luncheon will be held at the YMCA.

Family, Church Events To Feature Observance Of Thanksgiving Here

By Mrs. Valerie Evenden
 Traditional family gatherings, religious services and a holiday for school children and most of the workers will mark Thanksgiving Day tomorrow in the Quad-Cities.

However, some industrial employees will forego their turkey dinners until evening as local plants continue operations.

Students at public and parochial schools in this area will have both Thursday and Friday off, with classes resuming on Monday.

In previous years, all federal, state and local offices, including the courts and public libraries, and most commercial establishments will be closed Thursday, reopening Friday.

There will be no delivery of mail tomorrow, except for special delivery, and collection of mail will be on the regular holiday schedule.

Driving Hazards Cited
 Motorists are cautioned to be particularly alert on the highways over the holiday period, state police authorities advise.

Highway traffic is greater during the holiday, with many families motoring out-of-town to visit relatives. Eight persons were injured last year in 20 accidents occurring in the Quad-Cities during the Thanksgiving holiday.

Several activities were held in the community this week in observance of the Thanksgiving season, including the Salvation Army's annual Thanksgiving supper and family night, attended by 55 persons on Tuesday evening, and a visit by 40 members of the Salvation Army's Golden Age senior citizen group to a television show today.

Propose Calvo as Sewer Bond Attorney

Committee Chairman Disagrees; Further Discussion Delayed

A split in the ranks of the Granite City council over preliminary preparations for a sewer bond issue referendum this winter was revealed in a council session Monday night, when an unsuccessful attempt was made to hire a bonding attorney.

First indication of the break came when the council's three-man sewer committee, headed by Alderman C. H. Sternberg, submitted minority and majority reports, with the two-man majority faction attempting to obtain approval of its choice of a bond attorney.

A potential council battle began when the majority faction, headed by Alderman Paul Rutledge, reached the point that Mayor Donald Partney stepped down from the podium and announced he was turning the chairmanship over to Alderman Paul Rutledge so that he could be free to debate.

Several council members insisted that there be a vote on the mayor's selection of Rutledge as chairman. The motion carried unanimously.

Halted by Deferral
 The debate was halted at this point by a motion from Alderman Partney that the matter be deferred. This motion laid the issue over until the next regular meeting Nov. 28.

Committee On New GC Wards to be Expanded

Council Authorizes 7-Man Study Group; Task Called Difficult

Redistricting of Granite City precincts is "a task that appears impossible," Alderman Rutledge told the Granite City council Monday night in requesting that Mayor Partney increase the three-man redistricting committee to seven members.

Rutledge told the council that he and the redistricting committee met recently with Theodore Mikesell, executive director of the Southwestern Illinois Metropolitan Area Planning Commission, which has prepared population estimates for Granite City.

He said the committee undertook to fill in precinct boundaries but that "this is a task that seems impossible. In the Name-oki area we have almost one-third of the population with hardly any aldermen at all. Then we come on down to downtown area and other residential sections where the population is light but we have so many aldermen they run into one another."

He said that further study of the reapportionment problem is a job for more than three committee members. He asked Mayor Partney to increase the committee to seven members before further meetings on the problem are held.

Council Sanctions Request
 Mayor Partney asked for council sanction of the committee expansion.

Local Sailor Missing

Navy Airman Frank Leonard Cantello, 20, Granite City, is presumably lost at sea in the Mediterranean Sea from his aircraft carrier, the USS Intrepid, according to communications received here.

He was last seen in his berthing compartment at 5 a.m. Nov. 12. After a search of the ship, aircraft search a search over the waters. The family is awaiting additional notification.

A graduate of Granite City high school, he is the son of Mrs. Virginia F. Cantello, 2704 Buxton avenue, and Frank E. Cantello, 800 Grand avenue, Madison. He has been in the service 15 months.

County Board Ok's 4 2/3-Cent Tax Rate Hikes Today

The Madison county board of supervisors today authorized tax rate increases totaling 4 2/3 cents per \$100 assessed valuation.

Of the total, 1 1/2 cents is for a county-wide detention home approved by voters Nov. 8. More than \$100,000 in funds collected for the purpose from county sales taxes and held in reserve was transferred to the detention home fund.

Other increases were two cents for county highway purposes and one cent for the county general fund, as authorized by the state legislature.

Another resolution authorized an additional tax rate of up to 10 cents per \$100 assessed valuation for mental health purposes, the amount approved in this month's referendum, but an exact amount was not specified.

Rescue Johnson Named
 A county mental health board appointed by Chairman Harold Landolt to administer mental health programs included:

Edwin Reisk of Granite City and Harry R. Johnson of Madison as three-year terms. Jerry L. Staten of Godfrey, Dr. Edwin Buzan of Alton and J. J. Gramlich of Highland to four-year terms; and Mrs. Stephen Kennedy of Alton and H. U. Landon of Edwardsville for two-year terms.

Purchase of a six-acre tract in Pin Oak township five miles east of Edwardsville at a cost of \$400 was approved. It will be the site of a new county animal shelter.

State Health Dept. Checking Water Here

A representative of the Illinois Public Health Department was sent to the Quad-City area yesterday to check water supplies as a result of the foul taste and smell of drinking water that developed here during the weekend.

F. E. Carns, district manager of the water company, attributed the taste and odor to phenol which, he said, apparently got into the river in the Wood River area, either from a refinery holding pond or from a leaking barrel. Additional chlorine put into the water to dilute the chemical also added to the unusual taste.

Police Nab 3 Suspects In Tavern Robbery

Captured on Highway After Masked Holdup; Other Thefts Reported

Police captured three suspects after an armed holdup here this week, and there were 11 other unrelated cases involving burglaries and thefts.

Three men were arrested on armed robbery charges after an armed early Tuesday by two masked bandits at the Washington tavern, 2001 Washington avenue.

Complaints filed by Leon Scroggins, assistant state's attorney, named Anthony Evanoff, 22, of 1618 Seventh street, Madison; Raymond L. Beaton, 20, of Paducah, Ky.; and Jerry War-mack, 21, of 2028a Washington avenue.

They were stopped by Madison, Venice and Granite City police in a shiny black compact auto just south of the McCormick bridge avenue viaduct, headed in the direction of East St. Louis, after a description of the car was broadcast to area police.

They were held on \$15,000 bonds pending preliminary hearings set for 3:30 p.m. today.

Victim in the burglary was Hollis Donaldson, 1607 Maple street, the bartender. He told police that at about 12:35 a.m. Tuesday two men wearing black knitted ski-type masks entered the tavern and ordered him not to move.

Jumps Over Bar
 One was armed with a .45-caliber pistol and the other had a sawed-off shotgun.

One of them jumped over the bar, pushed Donaldson aside and took \$104 in bills from the cash register. The other stayed near the door and told two customers not to move.

Shortly before the report of the robbery, Granite City police received a report from a woman that someone was "fooling around" her auto, which matched the description of the one driven by Evanoff.

The description of the auto was dispatched, and Madison police spotted the car at Third street and Madison avenue. They notified other departments and followed it.

Money, Arms Found
 After the auto was towed to Granite City, police received written, signed permission from Evanoff to search it.

They found a total of \$85, including \$80 under the front seat, a \$10 bill in the glove compartment and \$15 in an Army jacket. Also under the front seat was a foreign automatic pistol with a loaded clip containing six shells and a 12-gauge shotgun shell.

In the rear seat were a 12-gauge sawed-off shotgun loaded with two shells and a quantity of men's clothing strewn about. Two black masks were on the seat.

Firm to Build 2 Overpasses for River Highway

Contract for construction of two grade separations carrying Federal Aid Route 151 (the Great River Road) over the Illinois Terminal Railroad tracks at Route Three near the A. O. Smith Corp. plant has been awarded to Hoffman Bros., Inc., Belleville, on a bid of \$813,816.

The same firm earlier was awarded a \$396,141 contract for grading 3.39 miles of right-of-way from 151st street north to West Pontoon road to Niedringhaus avenue in Granite City. That contract includes demolition of a number of houses in West Granite.

Both contracts were awarded on the basis of bids received during an October bid letting by the Illinois division of highways. Engineers at the French Village department said work will get underway on both projects "in a matter of weeks."

Work on the overpass structures will also require considerable grading work before actual construction can begin. Included will be earth grading on bridge approaches and a relocated railroad embankment.

No additional construction work on FA 151 is scheduled this year and none is likely to be included in the highway department work schedule in 1967, it was explained.

During the 1968 year, however, construction work is expected to be undertaken in the stretch from north of Pontoon road to Niedringhaus avenue, and from Niedringhaus to Broadway in Venice.

Expanded Dialing for Local Coin Telephones

Coin telephone customers in Granite City will be introduced to Expanded Direct Distance Dialing, the newest in long-distance telephone service, beginning Saturday at 12:01 a.m.

Expanded Direct Distance Dialing (EDDD) permits dialing telephone customers to dial most of their own long-distance telephone calls.

Coin telephone customers will dial the number "one," or "zero," to signal telephone equipment as to the type of long-distance call they are making.

"Special dialing instructions will be posted on all coin telephones equipped for the new service," William King, district manager for Southwestern Bell Telephone Co., told the Press-Record.

All coin telephones with TRI-angle 6 and Wellington 1 telephone numbers will be affected by the change.

18 Sandbags Dumped
 Dr. David Friedman, 2422 State street, reported at 4:55 p.m. Tuesday that someone dumped 18 sandbags holding a plastic cover over his swimming pool onto the cover, allowing rainwater and leaves to mix with the pool water.

City's Liquor Control Bill Being Revised

Granite City's liquor control ordinance is being revised by City Attorney Richard Allen and will be brought before the council in the near future, Mayor Donald Partney told the council in its regular meeting Monday night.

The announcement came after Alderman Sam Whitmer requested the mayor to initiate action to clarify ordinance terms relating to tavern closing hours in Granite City.

Whitmer said that enforcement of the present ordinance presents a problem to police and also leaves the tavern operator uncertain of the course to follow. The present ordinance, he said, specifies only that liquor shall not be sold after 1 a.m.

"This means that drinks can be sold to one or more persons one minute before 1 a.m. and these people still are drinking in the tavern ten or 15 minutes after 1 a.m. As a result the tavern is not closed."

Wants Definite Time
"Either specify a definite closing time or allow an interval in which no more drinks can be sold," Whitmer advised. "Otherwise, the police do not know that the drinks were sold before 1 a.m., and the tavern owner doesn't know if he should actually be closed or just stop liquor sales at the 1 a.m. specified time."

He suggested that if the ordinance is amended to provide a specific 1 a.m. tavern closing time it should provide that no more drinks be sold after 12:45 a.m. If it is to provide only that no liquor be sold after 1 a.m., then a additional 15 minutes should be given the tavern operator to clear his place of those people who still have drinks at 1 a.m., he said.

Mayor Partney said he would advise Allen to back into this phase of a new liquor control ordinance which he is now preparing.

The mayor said the present liquor ordinance fails to classify taverns, clubs, package liquor stores and different types of places handling liquors and that all of them operate under the same license. He said a new ordinance will classify the different types of business and otherwise update the city's liquor control law.

Action to Pay Old City Claim Blocked

A long-standing wrangle over payment of a bill to Royal Chemical Co. of St. Louis was renewed in the Granite City council meeting Monday night.

Action on a motion by Alderman Paul Rutledge to pay the \$346 claim was blocked again when Alderman R. E. Robertson moved to defer the issue, an action that automatically carries it over until the next meeting.

The controversy was renewed when a letter from the firm was read, asking payment of the claim which, the company said, it has been trying to collect for five months.

The payment has been blocked primarily by Robertson, who has been conducting an investigation into who received delivery of the chemicals, where they were used and who signed tickets for their delivery. He has said he has been unable to obtain satisfactory answers to these inquiries.

Students to Vote on Newspaper Name Soon

A referendum to determine if students at the Southern Illinois University Western campus wish to change the name of the Alester, student newspaper, will be held Dec. 6 or 7.

The student senate decided to conduct an official referendum after declaring as "ambiguous" and "unofficial" the balloting conducted last week by the newspaper.

Election of two new senators will be conducted at the same time in an effort to draw more students to the polls. Students previously voted 405 to 264 to change the name of the newspaper and suggested other names.

Five names were selected from those suggested and will be voted on along with the previous name.

Some Back Nameoki Sewer Fees Paid

Residents connected to the Nameoki section of the Granite City sewer system and delinquent in payment of fees totaling \$19,364 will be named in legal actions to enforce payment. Alderman Paul Rutledge told the Granite City council Monday night.

Rutledge said delinquent sewer users were notified several weeks ago that the city contemplated such action. \$4986 of the delinquent amount, then \$23,450, has since been paid.

A legal opinion as to the action that can be taken by the city is being prepared by the city attorney's office.

The council made no mention Monday night of the issue of fee collections, a responsibility some members of the council are now claiming damages for injuries received on an sidewalk she said was in disrepair.

Alderman Nomm raised the principal issue when he criticized the GM&O for closing down its passenger station at 29th street and the railroad tracks and boarding up the building so that it cannot be used.

He obtained passage of a motion instructing the city attorney to write the Illinois Commerce Commission asking that it instruct the railroad to open the building as a public shelter.

Alderman Roy Poulos was next. He said he timed a blockage of the GM&O tracks one morning last week from 6:30 a.m. to 6:55 a.m. He obtained approval of a motion instructing the city attorney to file a complaint against the railroad for violating time limitations.

Alderman Claude Green said the area is dark at night since the station has closed, and no one is around. He asked for a public telephone to be installed by the old station building. The city attorney was instructed to write the telephone company.

Reopening of Rail Station as Public Shelter Sought

Granite City council members, who have been particularly critical of railroad operations during the past month, launched new attacks on at least three fronts Monday night—all of them against the Gulf, Mobile & Ohio railroad.

Alderman Nomm raised the principal issue when he criticized the GM&O for closing down its passenger station at 29th street and the railroad tracks and boarding up the building so that it cannot be used.

He obtained passage of a motion instructing the city attorney to write the Illinois Commerce Commission asking that it instruct the railroad to open the building as a public shelter.

Alderman Roy Poulos was next. He said he timed a blockage of the GM&O tracks one morning last week from 6:30 a.m. to 6:55 a.m. He obtained approval of a motion instructing the city attorney to file a complaint against the railroad for violating time limitations.

Alderman Claude Green said the area is dark at night since the station has closed, and no one is around. He asked for a public telephone to be installed by the old station building. The city attorney was instructed to write the telephone company.

Scout Officers to Meet
Univah Boy Scout district officers and committee chairmen will confer at 7 p.m. Monday, Nov. 28, at the scout office in Granite City to map plans for the 1968-69 year.

Fined for Trespassing
The charge on which Walker E. Malone, 23, Granite City, and Stephen Bast, 18, Edwardsville, were found guilty and fined \$100 each last week in Greene county circuit court was criminal trespass.

The crash occurred along a GM&O railroad right-of-way.

Homer Huber Named To City Plan Board

Homer Huber of the Federal-Huber Furniture Co., chairman of the Downtown Retailers Committee, was appointed by Mayor Partney Monday night as a member of the City Planning Commission.

Huber succeeds Ferd Goewert, former executive secretary of the Tri-Cities Chamber of Commerce, who left last week to accept a new post with the Belleville Chamber of Commerce.

Goewert's resignation was submitted to the Granite City council during its regular session Monday night and accepted.

MORE ABOUT Committee On

panion. It was approved unanimously on a voice vote. No report was made on the committee's study of a proposal to conduct a special census at a total cost of \$7805. The census would be made by the U. S. Census Bureau and would establish an official census figure rather than an unofficial estimate based on SWIMAPC computations. Rutledge has pointed out that it is likely an official census would increase the city's motor fuel tax income \$18,000 to \$20,000 a year. Motor fuel tax allotments are based on population figures. Granite City has been considering new boundaries for its 10-sided eight wards for the past several years. It is faced with an early February deadline if it is to get the job done before the city election next year.

School Board to Hear Reports Next Monday

Next meeting of the Granite City school board has been changed to 7:30 p.m. Monday, Nov. 28, when Acting Super. Bob J. Davis and Treasurer Ron Dillard will report on a conference with a state school board education executive on steps to obtain a new superintendent. Also scheduled are a report from Mrs. Ruth Lahr on Project Liftoff instruction, bid awards, hiring and proposals involving vocational equipment and summer Project Head Start classes.

Treatment Plant, Machine, Walk Council Topics

Expenditures for construction of the Granite City sewage treatment plant have totaled \$1,572,672. Charles Moerlein, chairman of the city's sewage treatment plant committee, reported to the council in an adjourned session Tuesday night. Moerlein said receipts through sale of bonds amount to \$1,577,597. Moerlein noted that this leaves a balance of \$592 in the construction fund. A total of \$38,194 in service charges has been collected, with \$17,000 of this expended for operational activities at the plant, leaving a balance of \$4,125.

He told the council that John Hildebrandt, superintendent of the treatment plant, and representatives of the Jennings-Wright plant, have worked out engineering corrections to eliminate discharge of creosote into sewer lines and that no creosote is now being discharged into the sewer. Mayor Partney reported that a group of more than 100 city officials visited the treatment plant last week and complimented the city highly on having one of the most efficient plants they have seen. Alderman Gerald Parmley suggested that arrangements be made for an open house to permit the public to inspect the plant and the treatment facilities.

Personnel Chairman Absent

One of the few remaining items of business that was not taken up in Monday night's council meeting because of the 11 p.m. meeting curfew was a report from the personnel committee. Alderman Earl Thompson, chairman of the committee, was not present at the adjourned session, however, and the matter was laid over until next Monday night.

Only eight aldermen appeared for the adjourned session, allowing a minimum quorum. Attending were Aldermen Sternberg, Green, Robertson, Moerlein, Fry, Parmley, Norm and Whitmer. Parmley obtained approval of a motion authorizing the street department to grade and surface with slag a temporary walkway, four feet wide, on the east side of Maryville road at Parkview school. The motion also included a provision for elimination of parking on the east side of Maryville road from 8 a.m. until 4 p.m. on school days. Parmley said traffic congestion on the road has been creating a hazard for children just before school opens and when it is dismissed. He said the children have been using the street as a walkway and that, with cars and trucks parked, it is particularly dangerous to young children. Alderman Whitmer objected to keeping the street department "far out areas" when "we need to get work done in the older parts of the city where it is most needed."

Votes for Project

Whitmer noted that the street department has been cleaning out an old cemetery near Kirkpatrick Homes. "Now we have another project that will take up more manpower from the street department. It's time they get back down here where they belong," Whitmer urged, however, in favor of the walk project. Alderman Sternberg received authorization to purchase a new cover cleaning machine, costing about \$530, out of the small budget of the street department without bidding. He pointed out that the department would prefer to buy the same brand machine it has used for the past ten years, and can receive a \$50 trade-in for the old machine on that brand. The old machine, Sternberg added, is "nothing but junk."

Sternberg informed the council that contracts have been awarded by the Illinois highway division for grading work and construction of a railroad overpass for Federal Aid Route 151 and that work will get underway immediately.

Our Lady of Snows Topic of GC Kiwanis

Over 800,000 visited the Shrine of Our Lady of the Snows within the past year, representing each state and many overseas countries. Granite City Kiwanis were told Monday evening. The shrine is located on Route 490, near Belleville. Rev. Alexander Burak, O.M.I., said visitors to the 200-acre area were impressed by a replica of the world-famous Lourdes Grotto, a large outdoor altar, enclosed in a standing half-shell; and meditation gardens containing Angelus bells set in a reflection pool. He was introduced by Peter Hudyman, past district lieutenant. The club met for dinner at the Rose Bowl, with Peter F. Jellen, president, in charge.

May Revise Warm Air Heating Code

The city's Warm Air Heating board requested the city council Monday night to amend the warm air heating code to include specifications for installation of air conditioning equipment in Granite City homes.

The board, in a letter to the council, said it has been informed by contractors that warm air heating equipment result from improper installation of air-conditioning equipment.

The board noted that safety controls moved from the air stream to permit installation of air-conditioner controls, improper venting, improper electrical connections and improper wiring are among major faults.

The board said it is recommending amendment of the warm air heating code to include installation requirements covering the air-conditioning field.

The Illinois Commerce Commission notified the city of a hearing Nov. 23 at 10 a.m. in Springfield, on a petition of four rail lines for authority to increase certain passenger fares. The petition was filed by the Chicago & Eastern Illinois, GM&O, Illinois Central and Norfolk & Western.

The aldermen approved applications of the Southwestern Bell Telephone Co. for two excavation permits, one at 1111 and Wayne avenue and one at Johnson road and Wayne avenue. The excavations are necessary to install cables.

A report that the city will receive \$25,000 as its October collection of municipal taxes was presented.

The "Southern Players," a Southern Illinois University theater group at the Carbondale campus, asked the council to provide information concerning the city to aid the group in developing the Quad-Cities as an area in which it hopes to present some of its productions during its next season.

Woman Holdup Suspect Held in County Jail

Dolly Regina Gage, 23, St. Louis, charged with armed robbery in the holdup of the Venice Liquor Store Nov. 10, is being held in the Madison county jail today after being brought from St. Louis Monday afternoon on a warrant obtained by Venice police. She was transferred from the Venice jail to the county jail yesterday.

Louis Edward Brown, 21, St. Louis, also named in a robbery warrant in the Venice holdup, and two companions were arraigned in East St. Louis Tuesday on charges of armed robbery of an East St. Louis tavern.

Both the Gage woman and Brown were identified by victims of the Venice holdup. A gun used later to wound two St. Louis police officers was a two-shot derringer stolen from the Venice store during the robbery there.

Fire at GM&O Yards

The Venice fire department was called to the GM&O roundhouse at 8:10 a.m. Tuesday to extinguish a fire in waste in a locomotive pit. Firemen said the fire started while a diesel engine was over the pit, but yard workers rolled the locomotive off the pit before there was any damage.

Parking Lot Accident

While starting to back from a parked position, an auto driven by Franklin D. Byrum, 644 Ashland avenue, Mitchell, struck the front of another driven by James T. Olson, 5004 Lake drive, on the Belleme Village shopping center parking lot at 6:05 p.m. Tuesday.

One Radar Arrest

DeEtta A. Hoffman, 944 Niedringhaus avenue, was arrested on a speeding charge at 11:40 a.m. Tuesday at 25th street and Madison avenue, where police operated a radar unit. She was summoned for a hearing by next Wednesday.

3 More Prize-Winning Letters to Santa Claus

Three additional winners in the Associated Retailers' "Letters to Santa" contest were announced today by Morris Helman, president of the group.

The children will be notified by the association of their awards. A picture of themselves with Santa will be taken after his Friday arrival here to establish headquarters in his log cabin at 18th street and Edison avenue.

The latest winners are Cheryl Dilday, six, daughter of Mr. and Mrs. William Dilday, 1719 Market street, Madison; Harry Painter, nine, of 2816 Nameoki road; and Charles Jane Rainwater, eight, daughter of Mr. and Mrs. Charles Rainwater, 2819 Nameoki drive.

Letters Still Accepted

Letters still are being accepted at the Associated Retailers' office, 1831 Delmar avenue, even though Santa has solved his problem and will arrive here for his annual visit on Friday. Youngsters are asked to give their full names and ages and their parents' names and addresses.

The letter from Charles Jane Rainwater reads: "Dear Santa—I've had my picture made every year for the past seven years, and I hope I can have it made this year. I hope to get to see you in person and tell you what I want for Christmas."

"I told my mother that I wanted an organ, a watch, a baby, magic, a fun factory and a pajama bag. I will set you out a cupcake Christmas night."

"I hope that Mrs. Santa Claus gets well soon, also the elves. I hope you get to come to town, so that you won't disappoint my little brother and the other little children in town. Love, Charlie Jane Rainwater."

The letter from Cheryl Dilday read simply: "Dear Santa Claus. Please come to Granite so I can get my picture with you. I love you and Mrs. Santa Claus. I will send Mrs. Santa a get well card to make her well. I hope I see you soon. Love, Cheryl Dilday."

Bromley Joins Work Opportunities Agency

Appointment of Richard A. Bromley of Florissant, Mo., as associate director of Work Opportunities Unlimited, a job development contracting agency in the Human Development Corporation's comprehensive manpower program in St. Louis, was announced today.

Bromley will be responsible for the full time direction of the work of this agency, whose goal is to assist in the development of 3000 jobs per year under contracts with the Office of Economic Opportunity and the Bureau of Apprenticeship Training.

Bromley joined Dow Chemical Company's light metals plant in Madison in 1953, and served as director of personnel there until this summer, when he was transferred by Dow to its corporate personnel office in Midland, Mich. He left that assignment to return to St. Louis this fall, and joined the Monsanto Co., from which he is on loan for assumption of his new responsibilities.

McDonald's Restaurant Under Construction

Construction has begun at 1515 Johnson road of a new McDonald self-service hamburger restaurant — part of a national chain specializing in 15-cent hamburgers.

This will be the 78th McDonald's in Illinois. The new restaurant will be built on the same design—with distinguishing golden arches—used throughout the McDonald's chain, which now numbers over 830 units across the country.

FOOTBALL STAR KEN GRAY presents first-place tennis trophies in the 12-years-old and under division to Billy Rusick, 9, who also won another first place trophy in the 10-years-old and under division. In the center is Harold Brown, park district superintendent.

AUTOGRAPH TIME for young fans attending the Granite City park district sports award banquet was held after the event. Dal Maxwell, fore-

ground, and Mike Shannon, both St. Louis Cardinal baseball players, sign baseballs and programs for eager fans.

Pro Athletic Stars at Annual Park Sports Banquet; Award to Townsend

(Related Article on Page 33)
Praise for the expanding Granite City park district recreational and athletic program, and gratitude to those persons who have helped in forming the program were themes of speakers at the seventh annual Granite City park district sports award banquet held Monday evening in the new Granite City high school cafeteria.

Highlights of the banquet included presentation of the park district service awards by William Kozay, a park commissioner.

Recipient of this year's distinguished service award was C. E. Townsend, editor and publisher of the Press-Record, for "bringing to the public" the issues and needs of the park district.

"Especially helpful were his efforts to publicize all of the facts

clearly about the ice skating rink bond issue, his urging citizens to pass the issue, and his work in saving the old post office site for construction of Civic Park on the site," Kozay told the gathering of 650.

Wakefield Honored
Another park district service award was presented to Leroy Wakefield for his active role in the park district baseball program.

Wakefield and his wife coached and managed as many as three teams for nine years until the end of the 1956 season. He will not be able to continue managing or coaching teams because of ill health.

Presenting the award, Kozay said that Wakefield's approach was that "everybody plays who wants to play." If any players were left without a team, he

would form another one to allow them to play, it was noted. Arthur Schultz, executive vice-president of the Illinois Association of Park Districts, commended Harold Brown, park district superintendent, and the park commissioners and officers for the scope and excellence of their program, saying such activities are the best way to develop good citizenship.

Maxvill Praised
Guest speaker Robert Burnes, executive sports editor of the Globe Democrat, told the audience that Granite City's Dal Maxwell's beginning interest in baseball and early development were probably due to the existence of a baseball program for youth in Granite City. He was lavish in his praise for the contribution the young shortstop has made to the success of the Cardinal baseball team.

St. Louis Cardinal football players Ken Gray, Joe Robb and Irv Goode and St. Louis Cardinal baseball players Mike Shannon and Maxwell gave brief talks.

After the major park district awards were presented, the players helped award team and individual trophies to the 1956 park program winners, and remained after the banquet to sign autographs for fans.

Park President Paul Schuler was toastmaster and Vice-president W. Milton Worthen gave a welcoming talk. Rev. Arvin Twietmeyer offered prayer.

Guests introduced included members of the seven-member citizens' committee which helped plan the ice rink-recreation center and obtain public support for it in a bond issue election. The structure is currently under construction.

Iowa Grid Coach to Talk At GCHS Sports Banquet

Ray Nagel, head football coach at the University of Iowa and a former backfield coach at UCLA from the South-Central Illinois and Oklahoma, will be the principal speaker next Wednesday at the annual fall banquet honoring varsity athletes of Granite City high school, it was announced today by Richard Yates, athletic director.

At the 6:15 p.m. smorgasbord, which is open to the public, varsity letters will be awarded to 41 gridiron players and 12 cross-country athletes, Jim Morrison, head football coach, and Dick Harmon, harrier coach, said today.

Other honors to be presented local high school athletes include the Chris Marcovsky plaque, awarded each year to the most outstanding sophomore football player, and trophies to the 1956 season's most valuable lineman and back. Morrison said he also will announce the captain or co-captains for the 1967 football squad.

Nagel, who has a bachelor of science degree and law degree from UCLA, concluded his initial season with the Iowa Hawkeye Big Ten team last Saturday. He is a former player-coach with the football Cardinals, prior to their move to St. Louis, and has held coaching spots at Oklahoma under Bud Wilkinson and at UCLA under "Red" Sanders.

Youngest Major Coach
In 1958 at the age of 30, he was named head coach at the University of Utah, becoming the nation's youngest head football mentor at a major university. He remained at Utah for eight seasons, compiling a record of 42 wins, 30 losses and one tie.

In 1964, with a season record of 8-2, his Utah team went on to beat West Virginia in the Liberty Bowl.

The Iowa coaching staff, which has an average age of 31 years and six months, has displayed

considerable interest in recruiting high school football players from the South-Central Illinois area, including the Southwestern Conference, which they believe maintains fine football programs in conjunction with academic achievement.

Among 28 freshman athletes awarded football scholarships to Iowa this year are Bob Gruver, former Alton quarterback and players from Stanton, Ill.

Former Granite City Warrior John Evenden, a sophomore at Iowa, was starting defensive left tackle for the Hawkeyes this year.

Tickets for the banquet at \$3 per person may be purchased at the high school office or from members of the Boosters of the Fighting Warriors, or may be obtained at the door the evening of the banquet.

Missing Collie Sought

A large six-month-old collie dog, missing since he broke loose from a plastic line Friday and inflicted a minor bite on a pupil at Niedringhaus School, is being sought by its owners, Mr. and Mrs. Frank Harris, 3539 Grand avenue. The tan and white animal, resembling Lassie, was last seen Sunday in the vicinity of Fehling road and Colgate avenue.

Red Devils Top Columbia

Despite playing only two starts left in the fourth period, Venice Red Devil cagers went on to win at Columbia 62-48 Tuesday night.

Rich Essington, Red Devil guard, was forced to sit out most of the second quarter after totaling four fouls, three in the first period and one early in the second quarter. Quarter scores showed Columbia leading 15-12, a 20-30 tie and Venice leading 44-42.

Essington played four minutes of the third quarter, and took only three of the four minutes to score 10 points. Near the start of the final quarter, he, Roger Schaffner and John Gardner all fouled out, but subs and remaining starters Greg Puent and Bob MacIntosh helped outscore Columbia 18-6.

Venice stalled during the last six minutes, shooting only five times in the fourth quarter.

Venice scorers were Essington 15, Puent 13, MacIntosh 12, Gardner 9, Schaffner 7 and Denny Hill 4.

The Red Devils, now 1-1, rest until Monday, Nov. 28, when they travel to St. Paul for a three-day Macapin-Clinton Madison counties conference tournament.

Dunbar Downs Cahokia

Dunbar Junior high A and B cage teams won against Cahokia Tuesday night. The A team won 32-16 and the B team won 37-25. High scorers were Cleveland Childers with 10 points and Wayne Shaw with 15.

Mrs. Amelia Mathis, 69, Succumbs to Stroke

Mrs. Amelia Mathis, 69, of 2233 Iowa street, who was admitted two days ago to St. Elizabeth Hospital after suffering a stroke at home, died at 2:15 a.m. today at the hospital. She had not previously been ill.

A local resident since 1937, Mrs. Mathis was born at Dover, Tenn. She was a retired seamstress, having worked a number of years for a St. Louis firm, and was a member of the Nazarene Church of Stewart, Tenn.

Surviving are her husband, John Mathis; two sons, Melvin and John Mathis, both of Granite City; four daughters, Mrs. Madge Selph, Mrs. Mary Dickson, Mrs. Martha Dixon and Mrs. Henrietta Cox, all of Granite City; one sister, Mrs. Edna Elliott of Centralia; four brothers, Clarence Beasley, Collinsville, Tenn., Clyde Beasley, Centerville, Tenn., and John Beasley, Stewart, Tenn.; 13 grandchildren and five great-grandchildren.

Funeral arrangements are given in today's obituary column.

Rowland Gets 10-20 Years in Prison For Fatal Shooting

Walter J. Rowland, 27, of 1723 Edison avenue was sentenced to a term of 10 to 20 years in Menard state penitentiary Tuesday morning by Circuit Judge James O. Monroe on a charge of voluntary manslaughter.

Judge Monroe denied probation following a hearing which started last Friday into circumstances involving the fatal shooting of Jerry Thompson, 23, Upton, Ky., on Feb. 28 on a parking lot at 20th street and Park avenue. Rowland's indictment charged murder.

Thompson, who had just been released from the armed forces two days before, was engaged to be married to Rowland's former wife, Mrs. Joyce Rowland, 23, Granite City.

The two had been acquainted previously while Thompson was stationed at the Granite City Army Depot. He later was transferred overseas. Difficulties which had arisen between the two men had been discussed with the depot chaplain.

Mrs. Rowland testified that she had been the defendant in the shooting of her husband, which she said was the result of a quarrel between the two men.

Rowland's attorney maintained during the hearing that the defendant believed Thompson was trying to steal his wife and infant child.

Immediately after the shooting, Rowland drove to the police station with the shotgun and informed the desk officer that he had shot a man.

3500 Attend Junior Achievement Program

William H. Gove, president of William H. Gove Associates of Wiscasset, Me., was featured speaker Monday night at a sales and market executive sales seminar for local and St. Louis Achievers at Kiel Auditorium.

Gove, who spoke on "How to Become a Better Salesman," has traveled the equivalent of 50 times around the world to address more than 2000 trade conventions and company sales meetings. About 3500 youths from JA groups in the metropolitan area attended.

ULANSKIS CELEBRATE GOLDEN ANNIVERSARY
Mr. and Mrs. Emil Ulanski, 1614 Second street, Madison, observed the 50th anniversary of their marriage with a reception this week at Sacred Heart of Jesus Church hall, 930 Reynolds street, Madison.

Approximately 300 guests attended the open house from two until six o'clock in the afternoon. The celebration was arranged by their family, a son-in-law and daughter, Mr. and Mrs. W. E. Ashby of Granite City, a daughter, Mrs. Alice Elbert of Belleville and a son, M. Sgt. A. P. Ulanski in service now in Vietnam.

They renewed their vows at a 9:30 Mass at the Polish National Catholic Church with the Rev. Francis Tolcz, pastor, officiating. The daughters of the couple served as attendants at the altar and presented their parents with a gold cross with two wedding bands attached.

Mr. Ulanski, 77, is an alderman of the First Ward in Madison, and is retired fire chief and a life member of the Madison fire department.

He was employed by the old Coudy Lumber Co. for many years and is now an employee of the Lybarger Material Co., Inc. Mrs. Ulanski is 68, she is a native of Michigan, and Mr. Ulanski was born in North Dakota.

Besides the two daughters and the son, the family consists of seven grandchildren and five great-grandchildren, all of whom attended the celebration, as did the only living member of the original wedding party, Mrs. Edward (Ulanski) Smith of Detroit.

Among the many gifts presented to the couple was a money tree from the Madison city council.

Among out-of-town guests present besides Mr. and Mrs. Edward Smith were Mrs. Helen Kalinoski, another sister of Mr. Ulanski, and many others from St. Louis, Collinsville and cities in this area.

Mr. and Mrs. Ulanski were married at St. Casimir's Catholic Church in St. Louis and have

made their home in the Quad-Cities since that time.

ENTERTAINS CLUB

The Fourth Thursday club was entertained Tuesday evening in the home of Mrs. Erma Blatner, 2806 Yale drive.

Those excelling at games were Mrs. Helen Daley and Mrs. Dorothy Fecht. Other members playing were Mrs. Donna Ponce, Mrs. Josie Johnson, Mrs. Marge Seibert, Mrs. Lenna Williams, Mrs. Judy Zieslet.

Plans were made for a Christmas party to be held in the home of Mrs. Daley, with a gift exchange conducted. The party will be held Dec. 20.

Lunch was served by the hostess in keeping with the Thanksgiving season.

HOME FROM KANSAS

Mrs. Virginia Teator returned to her home, 3047 Milan avenue, Madison, Sunday after spending several weeks visiting relatives.

She arrived home by plane.

She attended an observance of the 66th wedding anniversary of Mr. and Mrs. Ed Taylor, a brother and sister-in-law, in Manhattan, Kan., and visited relatives in Salina, Silver Lake and Kansas City, Kan.

Mrs. Teator reports that she met nieces and nephews, let the first time and had a visit with several relatives she had not seen for years.

THANKSGIVING BASKET

Brownie Troop 1100 met at the Harris school Monday afternoon with the leader, Mrs. Virginia Landwehrmer, assisted by Mrs. Jennell Heffner.

The meeting was opened with the pledge of allegiance, singing of "America" and reading of the Brownie promise in unison.

Joyce Foster was introduced to the Brownies as a prospective member. Roll call was responded to with favorite Thanksgiving dishes. Time was spent learning "the art of giving to others."

Articles brought by the girls were placed in a basket and delivered by Mrs. Landwehrmer and Mrs. Heffner to a family for Thanksgiving. Each girl drew or wrote her own Thanksgiving greeting to the family and it was delivered in the basket.

Chris Seely and Diane Stevenson assisted the leader with a song and game period. Those helping part were Beatrice Gott, Robin Heffner, Gaylene Landwehrmer, Mary Lee, Kathy O'ly name-brands on any market.

LEWISIES HONORED ON SILVER ANNIVERSARY

Mr. and Mrs. Donald Golden, 1728 Venice avenue, entertained Tuesday evening at a surprise party honoring Mr. and Mrs. Lloyd Lewis on their twenty-fifth wedding anniversary.

Decorations were in the theme of the anniversary and of Thanksgiving, the anniversary date.

Dinner was served by Mrs. Golden to Mr. and Mrs. Doyle Heffner, Mr. and Mrs. Bernard Golden and daughter, Joanne, the guests of honor and Mr. and Mrs. Golden and son, Jeff.

BEAR, PEGGY SANDERS, JANE STEVENSON, DEBORAH THOMASSEN, VICTORIA VASIOFF, ELLEN VOEGELI, KATHY NEKHARDT, DARIA WILSON and Lisa Narvaez.

Plans for a Christmas program were discussed. It will be started at the next meeting.

SCOUTS PRESENT BASKET

Linda Whitecotton and Pamela Brown are new members of Junior Girl Scout Troop Five under the leadership of Mrs. Mae Hendrickson and co-leader, Mrs. Rose Lawrence. Monday's meeting was opened with a flag ceremony and roll call.

Each girl arrived at the meeting with a piece of fruit to be placed in a Thanksgiving basket, which the Troop delivered in a group to an elderly lady. She welcomed the girls into her home, thanking them for their thoughtfulness, and inviting them to sing for her.

The girls were told by the other 12 girls to use the afternoon's trip also as a scavenger hunt; they will write an article on "Nature" using objects they picked up along the way.

The group met at Louis Baer school. Those responding to roll call were Alicia Hendrickson, Sharon McBride, Debbie Lawrence, Sandra York, Susan Grimes, Nancy Maxwell, Jennifer Steel, Iva Goski, Beth Ann Aykes, Rhonda Bass, Donna Large, Robin Large, Judy Gowdy, Donna Witte, Kim Buser, Judy Trindle, Trudi Trindle and Ellen Richard.

Honesty and integrity are truly name-brands on any market.

MORE ABOUT

Propose Calvo

selection of a bond attorney, "two of the three of us have a need on an attorney and I wish to submit the name of Horace Calvo as bond attorney for the sewer project."

Sternberg jumped to his feet and told the council, "I have to oppose this, and obviously I am the minority member."

Early in the consideration of candidates for the attorney post, "we had three names submitted to us and Calvo's name was one of them," Sternberg said. "Later on I think we had as many as six names because the mayor gave us a couple and we picked up another candidate."

"But as things developed, I was told we were going to take Calvo or nobody. This situation may blow the whole issue out of the water, but we have some men whose records and experience in bond work exceed those of Calvo."

"And when someone says 'you are going to take Calvo or else,' that's just when I'm not going to take Calvo," Sternberg continued.

It Votes Ready

"I was told that there were 11 votes that would cram Calvo down my throat," he added.

It was at this point that Mayor Parney left the chair and asked Rutledge to serve for him so that he could take the floor and debate the issue.

Alderman Whitmer then told the council:

"I can shape up here what promises to be a real battle, and I don't want any part of it. I'm not on one side or the other."

"All I want to know is whether Calvo is a good attorney and if he lives in Granite City. If the answer is 'yes' to both of those questions, then I'll vote for him. That's all I intend to say in this whole thing."

Fry then moved for deferral of the matter.

Rutledge, who had just taken the chair, remarked to Fry that "you are going to have to look horns on this thing sooner or later; why not now?"

Alderman Steve Basarich turned to Rutledge and remarked: "If they want to run, let them run."

Worker Killed

moned for a hearing by Dec. 2. J. dith Slayton, 24, of 2029 Cleveland blvd, was treated at St. Elizabeth Hospital at 4 a.m. today for injuries suffered when the car she was driving crashed into a utility pole in the 700 block of State street, Madison.

Madison police reported the car was headed north on State street. She was taken to the hospital by ambulance and was treated for lacerations to the right forearm, chin and lips. She was released after treatment to see her own physician.

Darlene Hausstein, 20, of 4289 Reville lane was treated at St. Elizabeth Hospital at 2 p.m. Monday for pains in the right shoulder and arm suffered in an auto accident. She was released.

Howard Lewis, 18, and Daniel Harrison, 18, both of Cottage Hills, were taken to St. Elizabeth Hospital at 8:30 p.m. Monday with injuries suffered in an auto accident.

Lewis complained of a pain in the side of the head and was admitted for observation. Harrison was treated for nervousness and was released. Details of the accident were unavailable.

Police Nab

front and rear seats and a tan mask was on the dashboard.

Police said federal authorities are being contacted to examine the shotgun to determine if federal laws were violated.

House Burglary

Sophia O'Neil, 2628 Benton street, reported at 11:15 p.m. Tuesday that her entire house was ransacked in a burglary but she was unable to determine if anything was missing. Entry was gained by breaking rear door glass. Two windows were pried but not opened.

Burglars ransacked drawers and cabinets throughout the home of Samuel J. Kelly, 2524 Center street, after 10 a.m. Tuesday, he reported at 8 p.m. that day. Nothing appeared to be missing. Entry was gained by prying the rear door.

Bowling Equipment Stolen

Three bowling balls, bags and pairs of bowling shoes were stolen from two autos parked on Rome & Roy's lot, 25th street and Madison avenue, after 12:30 a.m. today, it was reported at 12:50 a.m. by the owners.

Taken from an auto owned by Curtis Simpson were a white ball with the initials E&K in a black and white bag, a pair of white shoes and a bowling shirt owned by Lonny LeGrand, 4501 Kirkpatrick Homes, and a black bag and ball with the initials RAW and a pair of tan bowling shoes owned by Ronald Wilbur, 2017 Iowa street. The loss to each was set at \$70.

Lyle Temple, 4104 Braden avenue, reported theft of a black ball in a gray bag plus bowling shoes, all valued at \$50, from his auto. There was no sign of forced entry into either vehicle.

Model Home Looted

Five rooms of furniture plus kitchen appliances were stolen from a model home in the Beverly Hills subdivision near Pontoon Beach, the Dale Realty Co. reported to the sheriff's office Monday. Value of the loss was not determined immediately.

A watch dog at the Arlington Heights golf course was shot in a burglary reported to the county sheriff's office at 11 p.m. Tuesday. Entry to the clubhouse was gained by forcing the northeast door, but nothing was taken.

About 1300 feet of welding lead wire valued at \$1300 was stolen from a truck trailer used for storage by the Kroeger Erection Co., St. Louis, a contractor at the Granite City Steel Co. plant, it was reported Monday.

It was in 100-foot lengths and weighed about 1300 pounds. The copper wire was coated with rubber. Locks were pried off rear doors to gain entry.

Mrs. Herman Maxfield, 2707 Harvey place, reported at 7:30 a.m. Tuesday that since Sunday a tire and wheel, a rod and reel valued at \$12, a tackle box containing assorted fishing equipment and two rods and reels valued at \$14 were stolen from the trunk of her auto.

Sale of Moose Home To Markuly Completed

Transactions were completed today for purchase of the Moose building, 1900 State street, by Pete Markuly, owner of the Markuly Plumbing and Heating contracting firm of Madison. Revenue stamps indicate \$50,000 involved in the sale.

Andrew Gitchoff of the Gitchoff Agency handled sale of the three-story brick structure, which also houses the offices of Reliable Loan Corp. and the House of Trophies. It was previously owned by Loyal Order of Moose Lodge 272, which is negotiating for new facilities in a building at 19th and Adams streets.

The new owner is planning to remodel the second and third floors, presently occupied by the Moose club, after the organization relocates at another site. The purchase was described as being made for investment purposes.

More 2-Way Bus Radios Ordered

The Bi-State Development their jobs by public transportation. Agency today authorized purchase and installation of 50 additional two-way radios to be installed on newly purchased buses scheduled for delivery next spring.

Installation of the radios in the new buses will bring to 150 the total number of units in the Bi-State Transit System fleet equipped with two-way radios. Transit system officials noted that the action establishes a policy which probably will be followed in the purchase of all buses in the future.

The agency also today authorized preparation of data necessary to applying for federal funds for a study to determine the need of additional bus service in "deprived areas," where workers encounter difficulty in reaching laudatory effort for success.

Much to be Thankful For in U. S.

To the Editor:

One of our great holidays is here. It is our Thanksgiving. In many European countries it is known as the "American Feast of the Turkey." To many it may be just this—Turkey and all the trimmings on our abundant tables. But there is a deeper meaning to Thanksgiving to which we should give some thought.

Just why should we be thankful? In India, a poverty stricken country, the mother sells her twin babies for six rupees (60 cents U. S.) because she cannot provide enough food for them. Our family is grateful that we live in a country where there is an abundance of harvest and food for every table in the land regardless of family circumstances.

Why should we be thankful? In the Near East and elsewhere, armies are crossing borders and strife is rampant. Fear encompasses the world. We are thankful that we live in a country which is strong and protects a country that gives us security and hope that we may live in peace.

Why should we be thankful? Is your home your castle? In many spots the world there is fear in many homes. Any moment, government guards may enter at will, for any cause or no cause, arrest the head of the family and other members, and confine them in jail without reason.

We are thankful for the "right of the people to be secure in their homes." Every man has the opportunity to have his own patch of ground and free access without restriction of the law. We are thankful to live in a country where a man's home is still his castle, and to have a constitution which guarantees it this liberty.

Are we really thankful? How about your faith in a Communist society? Let me share this passage with you: "Every religious idea, every idea of God, even flitting with the idea of God, is a mutable vision of the most dangerous kind, contagion of the most abominable kind. Millions of sins, filth, deeds, acts of violence, spiritual life of a [God] decked out in the smartest ideological costumes."

"Our family, Bulah, Debbie and Dennis, is grateful and very thankful that we can live in a country where each individual soul is guaranteed the freedom to worship according to the dictates of his heart, mind, and conscience, and where no one dare violate this special freedom."

"Yes... our family is grateful to God this Thanksgiving for the many mercies and blessings and the many friends He has bestowed upon us."

Are you still thinking with us? Are you still thankful? May God bless you and give you His abundant and gracious peace.

GIVE AWAY WHY THEY ARE NEEDED IN VIETNAM
To the Editor:
Enclosed are poems that GIs have written. Such poems can mean the people that we live in are not fighting a lost cause.

As they point out, this war must be fought and the battle must be won—for justice and freedom for our wives, daughters and sons.

As much as I want to come home, I am willing to stay and fight as long as they need me to help keep our freedom.

Land, Stocks Cut Inflation Losses

By Thomas E. O'Hara
Chairman, Board of Trustees
National Association of
Investment Clubs

Q. My two sisters and I will soon inherit \$10,000. We do not need this money at present and thought perhaps, leaving the \$10,000 intact, we would make it grow by investing it together. We already have a mutual fund which is holding its own well.

I am leery of buying stocks, and would like to buy land. But then we would have the problem of paying taxes. We want to do something besides buying bonds or letting the money sit in the bank. What do you suggest?

A. With three people involved, your first problem is to get all three to agree on the type of money to be invested. If you find you have different ideas, then I think you had better divide the money and let each one handle it as she wishes.

Inflation being the threat it is, I think it is important for you to invest in such a way that you have an opportunity for appreciation of principal as well as growth of income. You can do this in real estate, of course, if you know real estate investing or if you have a good stock.

However, right now the stock market is in a state of confusion. Many of our best oil, public utility and industrial companies can be bought at bargain prices. This is something I would not ignore.

Q. My wife and I came to the United States eight years ago. In former country we share the same work hard and all their lives to save money and in a few years, with inflation, they suddenly had only enough to live a few weeks.

We will retire in 20 years, have our house paid for, plus a place of land valued at \$40,000 and have \$30,000 in savings.
A broker is urging us to sell the land and invest in a mutual fund. Can you advise us?
A. I am in no position to advise you about selling the land, since I know nothing about it. However, I would like to suggest several things for you to think about in helping you to arrive at a decision.

Multiplier Can Be Avoided If Every Assessor Follows a 50% Formula

The prospect that a multiplier greater than "one" will be applied to Madison county property values makes it imperative that each assessor review his procedures and take steps to assure that real estate and personal property is assessed at 50% of value.

Anything less than a 50% county average will bring the first countywide multiplication of assessments here in 1957.

The unfortunate aspect of this type of countywide "solution" is that inequities between townships would be maintained, and areas assessed higher than others would find themselves paying taxes based on above-50% valuations, or more than the Illinois Revenue Department regards as fair.

Although all assessors are directly affected by the state's warning, particular attention will need to be given to those townships that are assessing below the 50% level. Such "tax havens" are unfair and improper, since they result in some people paying a bigger share of the county governmental taxes than others. With schools and other taxing bodies often overlapping township boundaries, even greater inequities result.

Each assessor is an elected official responsible primarily to the voting public, but it seems clear that any extreme deviation from generally accepted assessing procedures will not be permitted to continue indefinitely.

Through the devices of county multipliers set by the state, and township multipliers set by the county, assessing units of later can be forced to conform to average levels.

Of course, perfection will never be attainable under existing laws, and individual judgment is bound to result in some differences between parcels of property, neighborhoods and communities. But it seems clear that a better job can be done with present tools if township assessors throughout the county set their sights on this objective.

There is no time for them to waste in making adjustments to achieve a 50% assessing level. If they fail to do so, and if the state then multiplies the formula on which all local tax bills are based, the citizens will have legitimate and serious complaint to lodge with their assessor.

Thanksgiving Equally Meaningful In 1621, 1666

Three and a half centuries ago, American colonists gathered to give thanks for the harvest they had sown with their own hands.

Today, as we gather to give thanks for the harvest we have sown with our own hands, we are reminded of the fact that the harvest is ours to keep and to share.

It is our duty to give thanks for the harvest we have sown with our own hands, and to share it with those who are in need.

It is our duty to give thanks for the harvest we have sown with our own hands, and to share it with those who are in need.

It is our duty to give thanks for the harvest we have sown with our own hands, and to share it with those who are in need.

It is our duty to give thanks for the harvest we have sown with our own hands, and to share it with those who are in need.

dian neighbors. They had suffered severe hardship during their first winter after arriving in Massachusetts. But they were grateful that most of them were still alive, and that they had turkey, corn, venison and other delicacies for their feast.

This week, their descendants, living in an infinitely more complex age, are still not free of deprivation and sorrow. Warfare against tyranny of all kind continues unabated, and yet another advance in our food ladder and in our way of life justifies prayerful gratitude.

Thanksgiving 1966 will be a day and weekend of family gatherings which will strengthen hearthside ties and reunite past generations. Because it is a holiday with deep religious overtones, it will prompt the giving of thanks both in houses of worship and privately.

Rich in the tradition and heritage of America, which is the greatest bulwark of freedom and fulfillment in the history of mankind, Thanksgiving reaffirms man's faith in the workings of a divine providence and in the essential goodness of men who live up to the best that is in them.

Genuinely thankful, Quad-Cities look forward to one of their happiest holiday periods of the year, and beyond it to a continuation of our common, family, community and national blessings.

Illinois Delegation Influential in Washington

When the 90th Congress convenes Jan. 10, this congressional district will be represented by a delegation that is one of the most influential in Washington.

Illinois is further represented on Capitol Hill by such leaders as Cong. Amden, House Republican whip; Cong. Dawson, chairman of the government operations committee; Cong. Springer, ranking minority member of the commerce committee; and Cong. O'Hara, Kluczynski, Gray and Pucinski, subcommittee chairmen, respectively, on Africa, public buildings and grounds and education.

Many others are high on the seniority ladders of major committees.

It seems certain that the Illinois delegation will be among the most influential of all in Washington during the next two years.

Machines of the World, Unite!

Machines have been built that can make new machines of like design. Others daily perform miracles of speed and efficiency.

But we are not sure that we are eager to see the day when—if predictions are right—man-made devices will be able to see, hear, feel, taste, smell, eat, drink, read, write, speak, climb, swim, fly, organize tasks, create tools, talk with each other and attack designated enemies.

A quick check of the above list tells us that we ourselves have not mastered all of the skills which can be installed in robots. And although they probably would not be interesting conversationalists, there is no question that computers can be fed far more information than any individual could hope to learn in a lifetime.

Fortunately, there are limits on the extent of creativity that can be built into any machine. But we ourselves have not kept them intact by carrying out mathematical, fact-finding and other chores, once they have savored so many of the experiences of common man. Such well-informed machines no doubt are going to find out about life and death as vacations, fringe benefits and the coffee break.

St. Louis is spending an estimated \$1.5 billion for the cars and trucks they assemble annually... and only 1% of that sum is being spent locally. Freight charges for importing parts cost the assembly plants here more than \$35 million a year.

Following the survey, RIDC organized a series of meetings with local metal and plastics fabricators, and out-of-town auto parts makers and fabricators.

50 YEARS AGO

GRANITE CITY PRESS-RECORD

NOVEMBER 24, 1916

At the state assembly of the Rebekah Lodge held at Springfield, Mrs. Lottie Scherrer of Chicago was elected State Lodge Warden.

There were 884 votes cast, of which Mrs. Scherrer received 800 and Mrs. Ida Sherman of Chicago, her only remaining opponent for the office, 372 votes, with 12 ballots left blank.

Purchase of nearly six carloads of groceries and other provisions by the Tri-City Grocery Co. has forced that concern to turn to other quarters for storage. The present place, already one of the largest establishments of its kind in the Tri-Cities, is taxed to its capacity with the present crop of apples.

A large two-ton Commerce delivery truck, purchased by the company, adds to the effectiveness of the business of the stores' delivery system. There are two delivery trucks and a half dozen wagons.

The Granite City public library is growing at a rate which will soon make it necessary to enlarge the quarters allotted to it in the Judd-Gentleman building. Thirty-one new volumes were added to the already large number of books which were put on the reading rooms and preparations are being made to add about that number of books each month.

Preliminary work for enlargement of the library room has already been made and it is only a matter of time until the library occupies the two adjoining rooms.

Thanksgiving Day marks the beginning of the 1916 Red Cross season in Illinois. Throughout the state, the little Christmas stickers issued by the American Red Cross for the war effort are being put on the windows of homes.

The Central Athletic club of the Christian Church won its fourth basketball victory when it defeated the VVV of the Trinity M.E. Church of St. Louis 36-10.

25 YEARS AGO

NOVEMBER 24, 1941

Andrew Gasparovic Jr. was elected president of Granite City Lodge No. 11, Amalgamated Association of Iron, Steel and Tin Workers, at the annual election. He had not opposed.

Other officers elected were Al J. Mueller sr., vice-president; Henry G. Skutt, recording secretary; Alex Bunch, financial secretary; Luther Crane, treasurer; Joe Keunhoff, journal agent; Thomas Lane, guard; Del Hawkins, guide; Floyd Earls, Theodore Heimkap and Theodore Ryckman, trustees; and Gasparovic, corresponding representative.

C. Delis Zinn was elected president of Strip Mill Lodge No. 67, Amalgamated Association of Iron, Steel and Tin Workers in the annual election. He defeated Bill Fisk and Ray Lake.

Harry Reed was elected vice-president by Don Burnett, Reedy, an employee of the steel company for more than 25 years, is an assistant supervisor of Granite City township and a member of the non-salaried Madison County Public Welfare Advisory Board.

Other officers elected by the acting Henry Brade, financial secretary; Lester Bear, recording secretary; S. V. Green, treasurer; Henry Jackson, guide; Fred Borchert, guard; John Berris, corresponding representative; Ray Jones, Dan Davis and Tony Binch, trustees; and Dick Louis, journal agent.

Ward Walcott, International Association of Iron, Steel and Tin Workers, is in Granite City for a conference with local union information to meet the special cars and out-of-town auto parts makers and fabricators.

Mr. Arthur Say entertained members of her bridge club at her home on Grand avenue.

The score favors were won by Mrs. Marie Nelson, Mrs. Gerald Walters and Mrs. E. C. Conary. The guest prize went to Miss Evelyn Cunningham, sister of the hosts.

Among the students at home for the holidays was Curt Merz, son of Mr. and Mrs. Otto Merz of Benton street, who attends the University of Illinois.

Mr. and Mrs. Jack Morgan of Edison avenue entertained the following members of their Amalgamated Association of Iron, Steel and Tin Workers in their home: Mr. and Mrs. Girard Varnum and son, Jimmy, and twin daughters, Elizabeth and Mary; Mr. and Mrs. K. K. Wood, Mo., and Mr. and Mrs. David Morgan of Granite City.

The Venice city council held a ten-minute session and adjourned as soon as current bills had been ordered by the acting Mayor Arthur Schmitt presiding in the absence of Mayor John E. Lee sr., who is convalescing in DePaul Hospital, St. Louis.

Mrs. Eva Griffith entertained her club, the SAR, at her home, 2652 Iowa street.

Favors were won by Mrs. Marie Fogle, Mrs. Arthur Sherman and Mrs. Clarence Scott. A luncheon was served after the games. The net fortnightly meeting is to be held in the home of Mrs. August Thies near Mitchell.

Joint Tenancy Title Has Drawbacks
Joint tenancy is a common way for two or more people to hold legal title to property but it is not always the best way. The Illinois State Bar Association says in a newly-revised pamphlet entitled "Joint Ownership—Its Meaning and Effect."

In the pamphlet, the ISBA defines joint tenancy, with right of survivorship, as a form of ownership which provides that upon the death of one of the joint tenants, or owners, his interest or share immediately becomes the property of the surviving joint tenant or tenants.

The transfer of ownership upon the death of one of the joint tenants, or owners, his interest or share immediately becomes the property of the surviving joint tenant or tenants.

The pamphlet weighs the advantages and disadvantages of joint tenancy arrangements. It points out that joint tenancy, it states, is the saving of probate costs if the property of probate costs is the only property which otherwise could come under the jurisdiction of the probate court.

For example, there would be no estate to probate if a man and wife owned a home, automobile, bank account or joint property. However, the pamphlet says, joint tenancy has drawbacks.

WATERS IN THE ROUGH
(American Institute of Biological Sciences)
Valuable ground water resources lie hidden in the bedrock of Wisconsin and upper Michigan—buried there with tons of gravel and sediment in the retreat of the last great glacier from the area over 9000 years ago.

Researchers have been studying the area and its thousands of miles of water and mineral deposits, evaluation of sand and gravel in the glacier deposits, and information about building foundations and other problems and questions.

Continued study is termed economically desirable due to the type of basaltic and granite deposits, evaluation of sand and gravel in the glacier deposits, and information about building foundations and other problems and questions.

MISS HOELSCHER HONORED WITH BRIDAL SHOWER
Miss Carol Hoelscher was honored with a bridal shower Sunday afternoon, given by Mrs. Peggy Dickey and Mrs. Mary Baumbarger in the latter's home, 1601 Lindell Blvd.
Decorations for the gift table were in white with a blue and lavender shower umbrella over the table. Large white wedding bells completed the table decorations.
Several games were played and prizes were awarded. Special prizes went to Miss Ruth Meek and Mrs. June Meyer.
Following the games, the honoree opened her many gifts and a buffet luncheon was served by the hostesses.
Other guests present were Mesdames Marie Hoelscher, Helen McAnally, Ella Mae Reinhardt, Audrey Sperry, Lee Paff, Maurgette Pierce, Janice Reid, Donna Polette, Sue Brinkhoff, Elмира Trachsel and Phyllis Grimm and Miss Linda Smith.
The wedding of Miss Hoelscher and Earl Meek will take place on Jan. 7 at St. Margaret Mary Catholic Church.

BRIDGE CLUB WINNERS
Robert Larsen and Robert Baird, both of Alton, took first place honors Sunday evening at a weekly meeting of the Granite City Duplicate Bridge club, held at the Elks club.
Second place went to Mrs. Betty Caldwell and Mrs. Muriel Dressel, and third place to Dr. Jacob Cohen and Sam Meyer.
The Nameoki Duplicate Bridge club met Monday morning in the home of Mrs. Helen Meyer, 2832 Yale drive, who serves as director for both clubs.
The games ended in two ties: first and second place went to Mrs. Helen Collins, Mrs. Lou Engstrand, Mrs. Marie Huff and Mrs. Meyer, and the second tie was between Mrs. Muriel Dressel, Mrs. Helen Hudson, Mrs. Donna Schaefer and Mrs. Golda Bieser.
The clubs will meet again Sunday afternoon at their respective meeting places.

ENTERTAIN GUESTS
Mr. and Mrs. Earl Miles, 4265 East Lake drive, entertained their nephew and niece, Mr. and Mrs. Bernard Dahlquist of Normal, Ill., this weekend. The guests have been vacationing in Florida and Nassau for the past two weeks and stopped here on their trip home.

On Sunday afternoon, members of Chi Rho from Central Christian Church attended a roller skating party held at the local skating rink.
Following the party, the group returned to the church for refreshments and a regular weekly meeting.
Those attending included Diane Turner, Herb Cain, Mark Cain, Duane Parrish, Dwayne Lussiano, Ernie Edwards, Monty Lyons, Terry Hulse, Kay Daniels, Kathy Kennerly, Laura Hansen, Connie Lurton, Rich Strauss, Martin Christwell, Lela and Shirley Brokaw, Alma Cassey, Vivian Gray, John Chiappa, Debbie Mahenia, Gary Johnson, Sue Lybarger, Sharon Justice, Mrs. James Turner, Mrs. Carol Chiappa, Rev. James Craddock and the sponsors, Mr. and Mrs. Don Cain.
The group meets each Sunday evening at the church.

MRS. NICHOLAS ENTERTAINS CLUB
Mrs. Pat Nicholas, 1633 Sycamore avenue, entertained the Dizzy Dozen club Monday evening for a monthly meeting.
Yakitori was the game for the evening, and those winning prizes were Mrs. Marge Foley, first, Mrs. Dot Cavins, second, and Mrs. Faye Giles, third.

Mr. and Mrs. Draper were married Nov. 28, 1926, at Venice by Rev. Ernest Murdoch, a brother of Mrs. Draper. They have resided in Madison since that time. Draper is employed at Granite City Steel Co.

They have five children, three of whom reside in Granite City. Mrs. Harry (Doris) Smith, Norman Draper and John W. Draper Jr. Mrs. Robert (Colleen) Krauss resides in Fairfield, Ill., and Mrs. Keith (Glenda) Christman in St. Louis. There are 14 grandchildren.

SEEBOLD-NELSON ENGAGEMENT ANNOUNCED

Announcement is made of the engagement of Mrs. Beverly Harb Seebold, a daughter of Mr. and Mrs. Harold E. Harris, 2632 Adams street, and Jerry Lee Nelson, whose parents are Mr. and Mrs. Raymond Nelson, 3120 1/2 avenue. A late fall wedding is planned.

Both the bride and groom-to-be are graduates of Granite City high school and both are employed here. Mrs. Seebold at the J. B. Tire Co. and her fiancé at Granite City Steel Co.

MILLER-LUNGWITZ WEDDING ANNOUNCED

Just announced is the marriage of Miss Shirley Jean Lungwitz, a daughter of Mr. and Mrs. Earl H. Lungwitz, 3112 Hill avenue, and Arthur E. Miller Jr., whose parents, Mr. and Mrs. Arthur Miller, reside at 3224 Mocking Bird lane.

The Rev. Austin Fisher performed the ceremony Nov. 12 at his home.

—GO TO CHURCH SUNDAY—

BETROTHED. Miss Linda Ann George, fiancée of Marine Pfc. Bennie Smith, a son of Mr. and Mrs. Daniel B. Smith, 2436 Benton street. The engagement is announced by the bride-elect's parents, Mr. and Mrs. Joe L. George, 2447 Morrison road. Both young people are graduates of Granite City high school and the bride-to-be is employed by the Southwestern Bell Telephone Co. Wedding plans have not yet been made.

BROWNIE TROOP PLANS CHRISTMAS ACTIVITIES

Brownie Troop 330 of Niedringhaus school met Monday afternoon at the school. The girls opened the meeting with the pledge of allegiance and collected Brownie gold. The scouts formed a Brownie ring and discussed the Festival of Giving, which they will attend.

Final plans were made to attend a breakfast Dec. 17. Also mentioned were different gifts they will make for their parents for Christmas.

The remainder of the meeting was spent in making ornaments for the Festival of Giving, and the meeting was closed with the tunnel song.

At the next meeting, all members who have birthdays in November will be honored.

RETURN FROM SOUTH

Mr. and Mrs. J. W. Poeling, 2416 Edwards street, have returned from a week's visit with relatives in Nashville, Tenn.

Those present were Barbara Baumbarger, Sue Ann Culp, Anastasia Ellett, Debra Elmore, Magdalene Fryntko, Margaret Guoy, Nancy Greer, Terry Hawkins, Kathy Lawson, Rebecca McCommis, Carol Smith, Robin Stanton, Linda Thompson, Barbara Weldon, Brenda Fanning, Susan Thompson, Kathleen Stacy, Roxann Jackovich, Jackie Hudson, Terri Lynn Randell, Cynthia Thomas, Debbie Davis, and the leaders, Mrs. Mary Fryntko and Mrs. Joyce Lawson.

MARRIED RECENTLY. Sgt. and Mrs. Gary Cockrill. The bride is the former Patricia Lee Naumann, a daughter of Mr. and Mrs. John Farence, 1821 Spring avenue. Sgt. Cockrill's parents are Mr. and Mrs. Chester Cockrill of Dallas, Tex. The wedding of the couple took place in the chapel at the Army Depot.

June Fowler Job's Daughters Queer

A meeting of Job's Daughters, Bethel 43, was held Tuesday evening at the Masonic Temple, in connection with a Christmas party and gift exchange Dec. 13 at 7:30 p.m.

Sixty-five bean bags were collected to be sent to children at the Dixon State Hospital. Canned goods and toys are also being assembled for distribution to the needy at Christmas, and a donation was made for a Christmas party for children at the VFW national home.

Others present were Mesdames Genevieve Berman, Eva Burns, Sandra Domitrovich, William Edgington, Bernice Fitzpatrick, Margaret Hornberger, Louise Kovar, Ruth Knecht, Evelyn Morris, Kay Reel, Carol Shea, Evelyn Todd, Vivian Laughlin, Gladys Waggoner, Loretta Krolowich, Pauline Presley, Carol Strawn, Carol Tritsch and Mary Lou Worthen. Miss Jannita Bell, Miss Margie Greenedinner, Miss Flora Mae Lensing and Miss Helen Parshing.

An autumn theme was carried out in appointments of the tables, and a large cake in honor of the retiring queen held the place of set for the installation ceremony. A poem entitled "Lady Tree" was given by the librarian and all retired to the dining hall for refreshments served to about 80 persons by the Mothers Club.

Yule Aid by Junior Service

Plans to aid area families at Christmas were made at a potluck dinner Monday evening at the civil defense building of the Granite City Junior Service club.

Mrs. Rena James, president, presided, with reports given by Mrs. Audrey Jaros and Mrs. Candy Kawula.

Mrs. JoAnne Gaumer, charity chairman, reported one case for eye examination and one student receiving eyeglasses. She discussed aiding a family that recently moved to this area. Winter clothing and a basket at Thanksgiving were planned.

As a Christmas project, the club will make stockings for newborn babies at the local hospital. They also will complete several baskets with canned goods for needy families. Mrs. Kawula will serve as chairman.

Miss Flora Mae Lensing was named chairman of Christmas caroling to be held at Anchorage for senior citizens. All members will bake homemade cookies to be distributed to residents following the singing.

The members arranged for several birthday gifts to be sent to a girl club sponsor.

Mrs. Kathleen Goclan, chairman of the annual spring fashion show, announced that Cliff and Nancy St. James will serve as commentators and Gwen O'Guin will present musical selections. Six new probationary members were accepted—Gloria Skubish, Judith Basarich, Mary Beth McCorn, Marilyn Dase, Edna Lamb and Frances Rowden.

Mrs. James announced Mrs. Mary Schaffner will be chairman for arrangements of a Federation luncheon Jan. 3 at the Army Depot.

Mrs. Jean Ann Vrenick, chairman of the annual Christmas party and dinner, has made plans for the club to meet at the Blue Top in St. Louis on Dec. 12.

The next board meeting will be on Dec. 5.

Others present were Mesdames Genevieve Berman, Eva Burns, Sandra Domitrovich, William Edgington, Bernice Fitzpatrick, Margaret Hornberger, Louise Kovar, Ruth Knecht, Evelyn Morris, Kay Reel, Carol Shea, Evelyn Todd, Vivian Laughlin, Gladys Waggoner, Loretta Krolowich, Pauline Presley, Carol Strawn, Carol Tritsch and Mary Lou Worthen. Miss Jannita Bell, Miss Margie Greenedinner, Miss Flora Mae Lensing and Miss Helen Parshing.

EAGLES AUXILIARY AIDS SANATORIUM PATIENTS

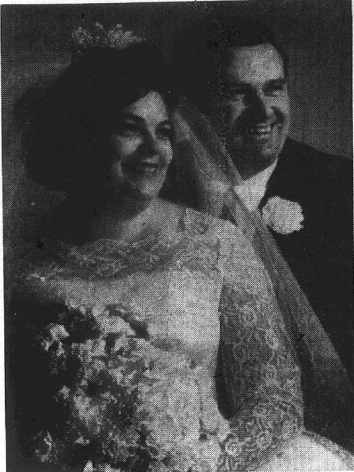

Mrs. Margaret Hall presided at a meeting of the Eagles Auxiliary last night, during which the members voted to send Christmas contributions to the Madison County Sanatorium in Edwardsville, and to Father Flanagan's Home for Boys in Boys Town, Neb.

Also planned was a Christmas dinner party and exchange of gifts at 6:30 p.m. Dec. 13 at the Eagles Home.

Mrs. Norma Hemken and Mrs. Margaret Benner were in charge of a party for patients at the sanatorium recently.

The "white elephant" was won by Mrs. Delores Kline and a special award went to Mrs. Benner. Hostesses were Mrs. Theresa Daigger, Mrs. Eldona Harlan and Mrs. Helen Love.

—TRY A CLASSIFIED AD—

MR. AND MRS. RAYMOND VAN METER, who were married Saturday at St. Margaret Mary Catholic Church. The bride is the former Betty Jean Montgomery, a daughter of Mr. and Mrs. Lawrence Montgomery of Overland, Mo.

COURT OF AWARDS FOR JUNIOR GIRL SCOUTS

A court of awards ceremony was conducted Monday afternoon for Junior Girl Scout Troop 373 of Niedringhaus school by the leader, Mrs. Mary Earls.

All members received the troop crest, and the following scouts received outdoor cooking badges: Cynthia Allison, Mary Elina Earls, Patty Reinhardt, Lynn Creek, Dawn Todd, Elaine Williams and Sherree Cathey.

The tables were decorated in an autumn theme with crystal punch bowls. Members of Patrol One served as hostesses, and Patrol Two planned the program, with song participation as part of the entertainment.

Mothers who were guests included Mrs. Cathey, Mrs. White and children, Mrs. Williams and sons, Mrs. Wallace, Mrs. Reinhardt, Mrs. Kulenkamp and Mrs. Creek.

Other scouts attending were Angela Early, Janice Louis, Jeanette Moore, Margie Lanier, Linda Chism, Diana White, Cathy Sims and Paula Tucker.

At the next meeting on Nov. 28, the girls will begin work on decorations for the Festival of Giving and gifts for their parents.

YAK YAK CLUB MEETS

Mrs. Helen Annis was hostess to the Yak Yak club Monday evening. A Christmas party Dec. 3 was planned, and the birthday of a member, Mrs. Faye Smith, was celebrated. Games provided entertainment and prizes were won by Mrs. Clara Summers and Mrs. Ins Campbell. Refreshments were served and the members were invited to the home of Mrs. Estelle Bone on Fourth street, Venice, next.

Speeding Charge Filed

Louis J. Spahr, 22 Miami court, was arrested on a speeding charge at Johnson road and Washburn avenue at 11:20 p.m. Tuesday. He was summoned for a hearing by Dec. 2.

PAST NOBLE GRANDS PLAN FOR CHRISTMAS

Plans for a Christmas party during the holidays were made Tuesday at an afternoon meeting of the Past Noble Grand Club in the home of Mrs. Ann Kunnemann, 3822 Lumbert road.

A pot luck luncheon was served at noon and, after a short business discussion, the group played cards, prizes going to Mrs. Ethel Petri, Mrs. Clara Harbig and Mrs. Joyce Bailey. Twelve were present. Mrs. Naomi Clover will be hostess at the Christmas meeting.

RICHMOND-ELKINS MARRIAGE ANNOUNCED

Mr. and Mrs. William T. Richmond, who were married recently at the United Pentecostal church, have returned from a honeymoon trip and are residing at 2075 Fourteenth street. The ceremony was performed Nov. 19 by Rev. Kenneth V. Reeves.

The bride is the former Violet June Elkins, a daughter of Mr. and Mrs. Troy W. Elkins, 2075 Fourteenth street. Mr. Richmond's parents are Mr. and Mrs. William D. Richmond, 2810 Myrtle avenue.

KIRKPATRICK GOLDEN AGE CIRCLE DINNER

The Kirkpatrick Homes Golden Age Circle met Tuesday in the recreation hall for a Thanksgiving dinner served to 80 persons. Mrs. Ellen Christy, president, conducted a brief business session following the dinner and in celebration by Roy Lynn. Announcement was made of the election of officers to be held at the next meeting Dec. 13.

CHURCHES TO EXCHANGE PASTORS FOR SERMONS

The pastors of Trinity Methodist Church, Rev. Clair Clark, and the Good Shepherd EUB Church, Rev. Phillip Burke Jr., will exchange pulpits for the Sunday morning services.

A pot luck supper will be served at 6 o'clock at Trinity Methodist, followed by the evening service, with Rev. Marion Farmer, a former Granite Cityan and now superintendent of the Methodist Children's Home in Mount Vernon, as guest speaker.

Rotary Club Inducts Four New Members

Four new members were inducted into the Granite City Rotary club during its luncheon in the YMCA Tuesday.

New members called upon to give brief resumes of their past were Lieut. Donald Wisor of the Salvation Army; Roger Ward, commercial manager of the Granite City division of Southwestern Bell Telephone Co.; Alvin Barnes III, advertising manager of Tri-City Grocery Co.; and Richard Locke, manager of the Triple A Credit Association.

A newly accepted member, John Lawson, employment supervisor of General Steel Industries, also attended and was introduced.

The club celebrated its 100th meeting attendance of Nov. 15 and William Hodebecke, a past president of the club who moved to Fort Lauderdale, Fla., earlier this year, was a guest and complimented the members on the success of the Horse Show and other activities.

It was announced that the Interact boys' club sponsored by the Rotary will conduct a paper drive Dec. 10.

MOTO-GAS SWEEPSTAKES!

EVERY CUSTOMER WINS EVERY TIME

NO DRAWING - NO PICTURES TO COLOR

- NO ORNAMENTS TO PUT ON YOUR CAR

**Just ask yourself these questions and drive
to your nearest Moto-Gas Station for the answers.**

- 1. How many Mustangs have you won lately? This has created parking problems for a lot of you and if you can't give them away to your friends you'll just have to build another garage or two.**
- 2. Do you really know what to do with all of those \$1,000 bills you're winning? This creates a tax problem you know and they say you have a hard time spending a million dollars in a lifetime anyway.**
- 3. Are you tired of playing the pictures game? We've heard it's replacing television for entertainment, but isn't this a little frustrating--do those pictures really match?**

**WE AT MOTO GAS ASSUME YOU ARE AMONG THE BETTER THAN 99%
OF THE UNFORTUNATE PEOPLE WHO ARE AMONG THE LOSERS OF
THESE FUN LITTLE GAMES AND, OH YES, BY THE WAY, JUST ONE MORE
QUESTION.**

HOW MUCH DOES IT COST YOU JUST TO PLAY THE GAME?

THAT'S WHY WE SAY...

"AT MOTO-GAS YOU'RE A WINNER EVERY TIME"

- 1. YOU SAVE AT LEAST 2¢ A GALLON EVERYTIME. HOW
MUCH DOES THAT AMOUNT TO OVER A YEARS TIME?**
- 2. WHEN YOU BUY MOTO-GAS YOU GET 94 OCTANE REGU-

Preliminary Meeting on Dimes Campaign Nov. 29

Director D. Dean Bridwell of the 1967 March of Dimes fund-raising campaign and the board of directors of the Madison county chapter of the National Foundation's March of Dimes have called an organizational and informational meeting of all local

chairmen and staff workers for 7:30 p.m. Tuesday, Nov. 29, at Montclair Bowl, Edwardsville. This will be a kick-off meeting in preparation for the campaign traditionally conducted during January. The National Foundation sets

dates and outlines general procedures which may be followed, but the organization and the success of the drive in each community are the responsibility of local chairmen appointed by the county organization, Bridwell noted. Purpose of the meeting will be to outline procedures, provide materials and inform the staff members of the general patterns

of the National Foundation. An outside speaker will not be secured this year, since the county director wishes to devote the evening to answering questions of staff personnel and reviewing successful procedures of the past year to assure an effective campaign. All local workers will be provided with a resume of activities of the chapter for the past year. "Demands on the chapter have

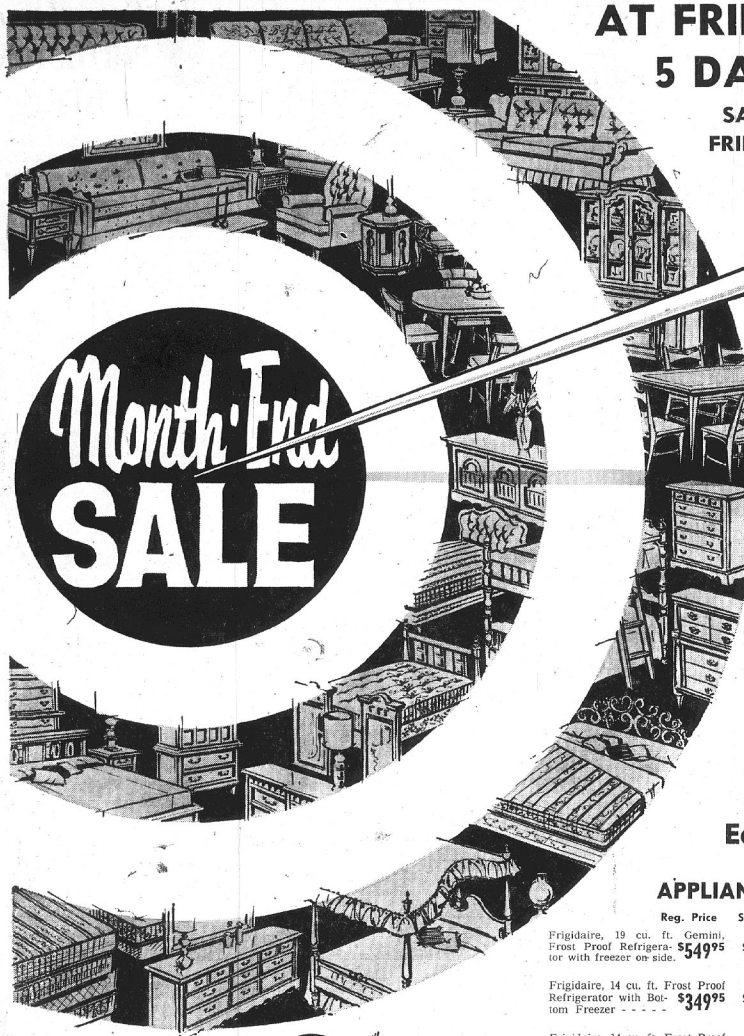

been great due to the extension of the work with congenital defects. Providing scholarship help for young people who plan to study in the area of health education is also for young people who plan to study in the area of health education is also a vital part of the National Foundation's March of Dimes program," he commented. The meeting will be informal and light refreshments will be served. A large attendance of staff workers is expected.

Koch Cited on Volume Of Insurance Sales

For the second consecutive year, John Koch of Granite City, Ill., East St. Louis district agent in Prudential's East St.

Louis district agency, has topped the million-dollar production mark in insurance sales for 1966. The announcement was made by William F. Curcuro Jr., manager of the office, located at 6710 State street. In discussing the sales record, Curcuro said Koch is the second agent in his district and in Prudential's Illinois region to sell more than a million dollars of

company business this year. A native of Belleville, Koch graduated in 1946 from Belleville township high school. He has represented Prudential since June 1964. Mr. and Mrs. Koch and their three sons live at 41 Shirwin drive. Know yourself — it's no misfortune to tumble to your faults.

Anniversary Wishes Relayed from Germany

Appearing in today's issue of the Press-Record is a one-column advertisement which wishes for Mr. and Mrs. Joseph J. Thomas, 1701 Fifth street, Madison, "a happy anniversary—to the best parents in the world."

The thoughtful notice was placed in the newspaper by the couple's son, Pfc. Charles D. Thomas, who is stationed at the headquarters of the 72nd Artillery Group at Wertheim, Germany.

Pfc. Thomas, a chaplain's assistant with the 72nd Artillery, wrote to the paper earlier this month, inquiring about rates and space. He was answered and last week instructed the Press-Record's advertising department to insert the notice in today's issue.

In his letter to the newspaper, Pfc. Thomas commented that his parents' 27th wedding anniversary will be celebrated on Saturday, Nov. 26. He added, "I don't think they will mind if my regards to them appear in the paper a few days early."

Santa Claus to Arrive In Quad-Cities Friday

Santa Claus will make his first appearance in the Quad-Cities at 9 a.m. Friday.

Accompanied by two tiny elves wearing red and green clothing, Santa will arrive at the McKinley bridge in Venice and is scheduled to stop for a talk with youngsters at the Venice post office at 9:05 a.m.

He then will present gifts and candy treats to children in Madison and Venice.

Santa will be riding in a new convertible decorated in keeping with the holiday season. His appearance also will signal the lighting of numerous colorful Christmas decorations which merchants have installed in the downtown Granite City area and at the Bellemore and Nameoki Village shopping centers.

Escorted by local police units, Santa will proceed from the Venice post office to Third street and Madison avenue in Madison for a stop at 9:30 a.m.

Visit Shopping Centers

Heading north on Madison avenue, he will arrive at the Bellemore Village shopping center at 10 a.m., followed by a visit at the Nameoki Village shopping center at 10:30 a.m. From there, he will go to his Christmas cabin at 19th street and Edison avenue. He will be at his cabin headquarters at noon and will distribute candy treats to all young visitors while hearing their Christmas requests.

A photographer will be on hand to take pictures of children sitting on Santa's lap, starting at

noon Friday and continuing to 8 p.m.

The Associated Retailers & Civic Association, which again is sponsoring Santa's visit in the Quad-Cities, has announced that the cabin will be open from 10 a.m. to 1 p.m. and 2 to 6 p.m. Saturday, between 2 and 8 p.m. Monday and 2 to 6 p.m. Tuesday through Thursday of next week.

Starting Dec. 5, when downtown stores will remain open until 8:30 p.m. daily except Saturday, cabin hours will be from 4 to 8 p.m. Monday through Thursday, 10 a.m. to 1 p.m. and 2 to 8 p.m. each Friday and 10 a.m. to 1 p.m. and 2 to 6 p.m. each Saturday.

Youngsters visiting the Bellemore shopping center may speak with Santa and receive candy treats from noon to 7 p.m. Friday.

Santa will tour the shopping area from 4 to 7 p.m. each Friday and from 1 to 5 p.m. each Saturday, with his hours extended Dec. 16 to 3 to 8 p.m. and the following day from 10 a.m. to 8 p.m. Starting Dec. 19, Santa will be on hand from 3 to 8 p.m. daily.

Santa Claus will distribute free at 10:30 a.m. From there, he will go to his Christmas cabin at 19th street and Edison avenue. He will be at his cabin headquarters at noon and will distribute candy treats to all young visitors while hearing their Christmas requests.

A photographer will be on hand to take pictures of children sitting on Santa's lap, starting at

GC Airman Transferred

Jaycees Get 19-Year Lease On Firing Range Property
The Granite City council approved Monday night an ordinance granting Granite City Jaycees a 19-year lease on four lots along Poplar street at a cost of \$1 per year.
The 19-year limit on the lease was dictated by state statutes that prevented a 50-year lease as first proposed by city officials. The site is the portion of the police department firing range called on the testing of any municipally-owned land if the lease period exceeds 20 years. He pointed out this would make the City Attorney Richard Allen, proposed 50-year lease invalid. The four lots involved are a

Council Approves Bill To Increase Painter's Salary

Granite City council members approved an ordinance Monday night providing a 4% salary increase for the city painter, thus correcting an error that had left the painter off the original street department list of wage increases.
The ordinance was not approved without the usual wrangle over the method of allotting salary increases to employees of the fire, police, and street departments.
Principal opposition to the move to include the painter was based on the contention that he was not a member of the street department and therefore should not be included among those getting salary raises.
The ordinance passed by a vote of nine to seven after Alderman Walter Norn, chairman of the Ordinance Committee, who read the measure, declined to make a motion on the bill and said he was placing it on the table. Alderman Richard Fry picked up the ordinance and moved for its passage.
Alderman Ford Johnson said he couldn't "go along" with including the painter among street department employee raises as long as the painter "is not under the direction of the street department."
Johnson moved to amend Fry's passage motion to make the painter a regular member of the street department, but Mayor Partney ruled him out of order. "I thought you would," Johnson replied to the mayor's ruling.
Alderman Earl Thompson, chairman of the Personnel Committee, pointed out that a commitment had been made to the painter's union to give the painter salary raises comparable to those granted other street department employees.
"I don't care what the Personnel Committee promised," said Alderman Steve Basarich. "The Personnel Committee doesn't have the authority to make any promises for the council. If you want promises you can't keep, that's just too bad."

Maer Presides at Forum On Vision, Reading

Dr. S. F. Maer, local optometrist and president of the Illinois Optometric Association, has returned from Chicago, where he presided at the 10th annual Forum on Vision and Reading. Theme of the meeting was "Variations in Learning Patterns."
Featured on the program, attended by more than 700 educators, nurses, psychologists and optometrists, were Dr. William J. Meyer, professor of psychology at Syracuse University, and Dr. Gordon McKee, practicing O.D. and co-author of "The Psychology of Readiness." At the meeting from Granite City were Mrs. Ruth Lehr, Mrs. Daisy Reva Turner, Mrs. Beatrice Powell and Miss Nina Dittman. Mrs. Powell and Miss Dittman are school nurses.

TV Appearance Today By Local Music Group

Seven members of the Granite City Salvation Army's timbrel band were spotlighted on the Charlotte Peters television show from noon until 1 p.m. today as part of the local group's preliminary activities leading up to the 1966 "Tree of Lights" kickoff this Saturday.

Under the leadership of Miss Shirley Bailey of Madison, members of the teenage timbrel group appearing were Sandra and Donna Kutter, Sue and Sandy Evans, Phyllis Donaldson and Ruth Stover.

Lt. Donald Wisor, local Salvation Commander, announced today the same group also has been selected by the Salvation Army regional headquarters to appear in pre-game ceremonies at the Missouri all-star high school football contest, to be played Saturday, Dec. 3, at Busch Memorial Stadium.

In addition to the local musicians, the Salvation Army Staff Band from the Chicago area also will be featured at the all-star gridiron contest, Lt. Wisor said.

New GI Bill Payments To Students Explained

Most veterans attending school under the new G.I. Bill have received their first checks, but if you're one who did not and fail to receive your check due this week, it's possible you failed to do your homework, the VA told veteran-students today.

John B. Naser, manager of the Chicago Veterans Administration regional office, urged those students who fail to receive checks due this week to:

(1) Make sure that the notice of enrollment, which must be filled out and mailed by the school, has been sent to the VA by the school.

(2) Make sure the certificate of attendance, which the veteran must fill out and send to the VA, has been mailed.

(3) If there is any question about payment, contact the VA office, the VA told.

The VA pointed out that it is not necessary for the veteran student attending college to send in his certificate of attendance for the first month, since VA accepted the college's notice of enrollment as basis for paying the first check.

Monthly Certificates

However, the VA emphasized, all subsequent checks will be withheld until the student's own certificate of attendance is received.

VA officials, recalling past experience with the G. I. Educational programs of world war II and the Korean war, pointed out that a "shakedown period" was necessary before the payment machinery was functioning smoothly.

It is possible that a few checks have been delayed by administrative or machine errors, but it is anticipated that these will be limited, according to the VA. Failure to receive checks can be blamed mostly on the de-

misunderstanding, or who have had checks delayed, to contact his office so that problems may be cleared up.

TWO OF 1683 DEER bagged on the first day of the Illinois season were by Vasil Granville, 1615 Fifth street, Madison, left, and Robert Turner, 3503 Franklin avenue. The deer, an eight-point buck and a four-point buck, were shot by 7:30 a.m. Friday at Horseshoe Lake near Cairo, Ill.

Park Mat Program To Begin Saturday

Registration for the 1966 district wrestling programs for boys in grades one through eight will begin this Saturday, Nov. 26, at 9 a.m. at the park district community center, 822 Niedringhaus avenue.

After a wrestling fundamentals have been presented by Tom Skubish, instructor, meets will be scheduled with other area city recreational program wrestling teams.

Wrestling practice will be held every Saturday morning, following final registration on Dec. 4 from 9 a.m. to 12 p.m. at the community center.

Wrestlers are required to provide their own shorts, tennis shoes and tee shirts for the program. A \$1 insurance fee will be charged all registrants, and non-residents of the park district will be charged an additional \$3 upon registering.

The \$1 insurance fee will not apply to those who have paid the fee while participating in another program this year.

Local Sports

MONDAY (Basketball)
Collinsville at Madison, junior high, 6:15 p.m. (game to be played at Madison high school).
Venice, varsity, MCM Tournament at St. Paul.

Madison Juniors Beat Rose Lake

Both Madison junior high basketball teams won their games against Rose Lake of East St. Louis Monday at Madison.

The 7th grade held an early lead to win 31-14, with Vernell Clasper, nine points, and Jesse Brake and Joe Dant, both seven points, leading the way.

Gary Dooley paced the Madison 8th graders in their 41-32 win with a total of 17 points. The other 8th grade high point man was Lynn Schmidt, with 10 points.

Madison junior high plays Collinsville at the Madison high school gymnasium Monday at 6:15 p.m.

Grade School Cagers To Register Saturday

Registration for the park district's third through sixth grades 1966 basketball program will begin this Saturday at 9 a.m.

Basketball registration will be held at Prather and "Coolidge" junior highs and Nameoki grade school. The location for registration is determined by the school nearest the residence of the registrant.

Leon Chappell, park athletic director, told the Press-Record that prior to league play, a four week clinic in basketball fundamentals will be held at the different locations. Instructors for the clinic are: Prather, Al Sonneberg; Coolidge, Tom Wrotysek and Bob Stegelmeyer; and Nameoki, Ronald Eads and Danny Graville.

A \$1 insurance fee will be charged each resident unless he has paid the fee while participating in another phase of the park program this year. All non-residents of the park district will be charged an additional fee of \$3.

Times for registration for the program are: 5th and 6th grades, 9:10-10:30 a.m.; 3rd and 4th grades, 10:30 a.m. to noon.

After the four-week clinic, the instructors will select two players for each team, and these two will select the remaining number of players for their team to compete in league play.

Shoots Hole-in-One

Howard Popham, golf pro at Avilion golf course, advised the Press-Record that Frank "Casey" Jones, 2200 Johnson road, made a hole-in-one Tuesday at the course. Jones shot the ball 152 yards to the fourth green and into the cup, using a No. 5 iron.

Thanksgiving Morning Service at Hope Church

A special service of worship will be conducted at Hope Lutheran Church, 3715 Wabash avenue, on Thanksgiving Day at 10 a.m. The specially prepared service will include a Thanksgiving Litany, and the Hope senior choir will participate.

Vicar Donald Rouss will preach the sermon. Cub scouts of Den Six will present their offerings of food for the needy in the service.

Man Loses Wallet, \$5

Ryan Aurand, Rural Route One, reported at 11:45 p.m. Monday that he had lost his black wallet containing \$5, his driver's license and papers.

Grass Fire set on Lawn

Edward Lamb, 3278 Westchester drive, reported at 9 a.m. Tuesday that during the night someone had set a grass fire on his front lawn.

Man, 70, Dies as His Trailer Home Burns

John Cundiff, 70, Rural Route One, East Alto, died when his trailer home was destroyed by fire Monday. He lived in a mobile home just north of the Hartford Canal and west of Route three in the area of the Bowline Boat Club.

The fire was spotted by Louis Hoen, who resided in a farmhouse east of Route Three and more than two blocks from the scene.

He told investigating sheriff deputies that he saw black smoke and drove to the scene. He found the trailer ablaze and collapsing. Charred rubble remained. The South Roxana volunteer fire department responded to the alarm.

Mr. Cundiff, who lived alone, was found in the north end of the trailer. He was retired but had been employed previously as a keeper at the boat club.

He is survived by two sons, Ray of Granite City and William Cundiff of Collinsville. He was born in Belmont, Ky.

Hoen said grass caught fire at the scene and he stomped it out, burning his shoes. He was assisted by construction workers in the area.

After the body was discovered, Mr. Cundiff was taken to a Wood River funeral home for services at 11 a.m. today. Burial was in Wanda Cemetery.

Two Boys Break Window

Two boys were seen running from Peck's Radiator shop, 1735 Madison avenue, at 6:30 p.m. Monday by a neighbor who checked and discovered that the back door window had a hole in it. A rock was found inside the shop.

Wires Pulled from Auto

Bernard Pinney, 3271 Westchester drive, reported at 7:30 a.m. Tuesday that someone had pulled the spark and coil wires of his 1964 auto while it was parked in his driveway after 6 p.m. Monday.

Driving Charge Filed

Charles E. Earls, 2202 Illinois avenue, was charged with careless driving Monday at East 23rd street and Namekoi road. He was summoned for a hearing by Dec. 9.

Four Hubcaps Stolen

Four hubcaps were stolen from the auto of Howard Setz, 24 Frontenac lane, while it was in his driveway during the night, he reported at 7:15 a.m. Tuesday.

Browning Named Chief Fire Control Technician

Senior Chief Fire Control Technician Horace K. Browning, son of Mrs. Gertrude Browning, 2019 Park avenue, has been promoted to that rank at the Naval Examining Center, Great Lakes, Ill.

Browning was presented advancement in rate certificate during ceremonies held in the office of Capt. Richard M. Hayes, commanding officer of the Examining Center. Prior to joining the Navy in 1945, Browning attended Erin high school in Erin, Tenn.

Browning's duty at the Examining Center is the writing of advancement in rate examinations for personnel in the missile technician field. Primary mission of the Naval Examining Center is to prepare, distribute and score Navy-wide advancement in rate examinations for enlisted personnel of the Regular Navy and Naval Reserve.

Cozart Power Plant Maintenance Foreman

Arthur B. Cozart, 2065 Wayne avenue, has been promoted at Union Electric Company's Venice power plant. He assumes the post of maintenance foreman.

Cozart, a 19-year veteran of the company, was initially employed as power station porter when he joined the company in 1941. He has spent his entire career at this work location in posts of plant mechanic helper, plant mechanic helper-mechanic and plant mechanic machinist, the position from which he was most recently promoted, F. E. Marden, Illinois division manager, said.

The Red Cross office at 1411 Twenty-first street will be closed tomorrow for the Thanksgiving Day holiday, reopening Friday, Mrs. Overbeck said.

The recordings may be made between 9 a.m. and 5 p.m. Monday through Fridays at the office and appointments may be made by calling GL 2-7184, the ARC executive said. She added that an appointment is not mandatory, but with the large number of local servicemen now stationed overseas it is recommended.

Christmas 'Talking Letters' For Servicemen Overseas

The Tri-City Red Cross chapter is providing the recording facilities, an unbreakable record able to hold 15 minutes of conversation and a heavy-duty envelope and wrapping material. The sender is asked only to mail the recording, which usually requires an eight-cent air mail stamp.

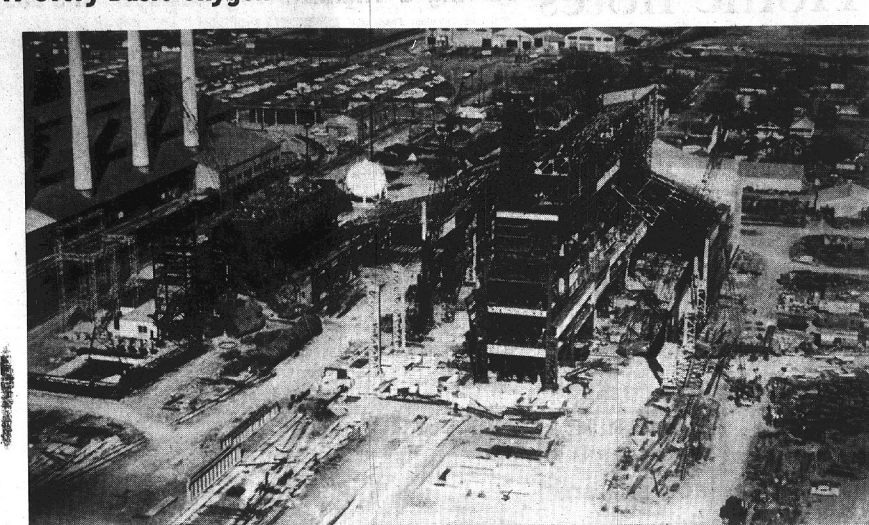

Those invited to make the "Voices From Home" records include any member of the service man's family or his fiancée; military dependents at the Granite City Army Depot with relatives abroad; exchange students; or new citizens in the community with families overseas.

19-Story Basic Oxygen Furnace Plant Structure Dominates 18-Acre Site

Construction is well along the basic oxygen furnace plant at P.O.F. plant and supporting facilities. The top of the steel framework reaches a maximum height of steelmaking capacity 30% to a 303 1/2 feet, equivalent to a 19-inch high of 2,200,000 ingot tons a year. This news aerial photo shows precipitators which are the heart of a \$3,500,000 system to cool and clean waste gases from the basic oxygen furnaces. This system will virtually eliminate the orange-colored smoke from steelmaking in the open heart furnaces. The white sphere behind the precipitators is a steel tank 40 1/2 feet in diameter which will be used to store oxygen under high pressure. The basic oxygen furnace will use 1800 to 2000 cubic feet of oxygen for every ton of steel produced. The two modern basic oxygen furnaces around which this plant is built will each be able to produce a 220-ton heat of steel every 40 to 50 minutes versus eight to 10 hours for an open hearth furnace. And the new process turns out a higher quality carbon steel and a more ductile product. Construction began in June 1965 and is scheduled to be completed in mid-1967.

Home notes

By Mrs. Catherine R. Mauck
Madison County Home Adviser

Brother of Mrs. Frank Jones Dies at Age 70
Rome Golden, 70, of Florence, Mo., a brother of Mrs. Frank Jones, 2872 Washington avenue, died Monday evening in a veterans' hospital in Kansas City, Mo., following a heart attack.

Funeral services will be in Florence and interment will be there. Mr. Golden was well known here, having visited often at the Jones home.

Here are some tips from USDA's Consumer and Marketing Service on buying the major ingredient in the Great Thanksgiving Dinner.

Turkeys—To get the most for your money, buy big turkeys—14 pounds or heavier. Larger size turkeys have more meat in proportion to bone than the

smaller birds, and they generally sell for a few pennies less per pound.

To be sure of tenderness, make sure the label says it's a young bird—young hen, young tom or young turkey.

Look for the official USDA grade mark—it is your assurance of quality. Turkeys that carry the USDA grade mark must first be inspected for wholesomeness. A USDA Grade A turkey is the finest quality available—it is full fleshed, meaty, well finished, and has an attractive appearance.

For less traditional Thanksgiving turkey, consider a turkey roast. Turkey roasts—boneless turkey meat prepared in ready-to-cook form—have proven to be highly popular food item. And you can buy USDA Grade A turkey roasts, too, prepared from the finest quality turkeys.

Self-sufficiency has never been known to secure efficiency.

Carving a Thanksgiving Turkey?—It's Easy

Will that succulent Thanksgiving turkey be carved into beautiful, mouth-watering slices, or will the man of the house hack it into a mangled wreck?

Carving a turkey is an annual trauma for some people, but is simplicity itself for others. As with so many things, it's easy when you know how.

Drawings taken from World Book Encyclopedia show you how. First, remove the leg by turning the turkey on its side with its breastbone away from you. Hold the end of the drumstick and pull it forward as the knife cuts through the joint. (Figure 1.)

Drumstick, Thigh Discussed
Next, carve the drumstick into lengthwise slices by standing it on its thick end and holding the thin end with your hand. (Figure 2.)

Carve the thigh after the leg. Expose the thighbone by slicing down to it. Remove the thighbone by running the point of the knife around it and lifting it up with the fork. Then finish slicing the thigh meat. (Figure 3.)

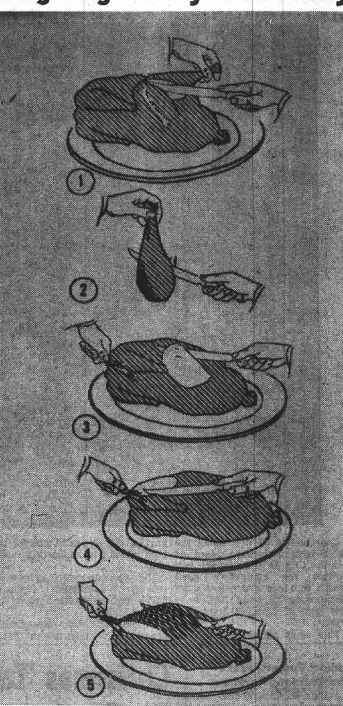

If you want only a few large slices from the breast, carve with the grain. Slice lengthwise until you reach the wing joint, and then remove the wing. Continue slicing until you have carved all the white meat on one side of the turkey. (Figure 4.)

If you want several small slices from the breast, carve across the grain. First remove the wing, and then slice at an angle of about 45 degrees. Continue carving slices until you reach the breastbone. Loosen the slices by cutting along the bone under them. (Figure 5.)

Simple, Wasn't It?
And that's all there is to it. Provided, of course, that you have the proper tools. The article on "Meat and Meat Carving" says:

"The well-kept carving set is very important to good carving. A good carving knife needs to be sharpened only once in a while, but it should always be steamed before using."

"A meat platter or a carving board allows more room for carving and makes carving easier. A large carving fork holds the meat much more firmly than an ordinary dinner fork."

'Tree of Lights' Kickoff Ceremony; Luncheon at 'Y'

The Salvation Army's 1966 the first bulbs on the traditional "Tree of Lights" campaign to Christmas tree in Memorial Park, opposite St. Elizabeth Hospital. Principal speaker at the luncheon will be Bob Baker of with a noon luncheon at the Radio Station Wgnu.

Tickets at \$1.75 per person may be obtained at the Salvation Army office, Lt. Wisor said.

Reservations for the kickoff luncheon still may be made by calling the Salvation Army office, Lt. Wisor said.

More than 400 requests for gift baskets have been received at the local Salvation Army headquarters since processing of applications began two weeks ago, Lt. Donald Wisor, commanding officer, said today.

Those wishing to apply for baskets may call in person at the office, 1421 Nineteenth street, between 9 a.m. and noon and 1 and 4 p.m. Mondays through Fridays until Dec. 2.

Lt. Wisor said the office will be closed tomorrow and Friday, reopening for business at 9 a.m. Monday.

In 1965, 450 food baskets, together with numerous toys and clothing gifts, were distributed to the needy through the annual "Tree of Lights" fund drive.

Those wishing to apply for baskets are urged to submit their applications in person at the office. Applications will not be accepted by mail or telephone, Lt. Wisor said.

Thanksgiving Services Tonight in GC, Venice

Union Thanksgiving services will be conducted at 7:30 p.m. today at the Central Christian Church, 2020 Johnson road, and at the Venice Methodist Church, 225 Broadway.

Leaders in the service at Central Christian Church, sponsored by the Quad-City Ministerial Association, will include Rev. Paul Sims, association president and pastor of the Niedringhaus Memorial Methodist Church; Rev. Clair Clark, Trinity Methodist Church; Rev. Phillip Burke Jr., Good Shepherd Evangelical United Brethren Church; Rev. Paul Surbey, St. John United Church of Christ; Rev. Dr. David B. Maxton, First United Presbyterian Church; and Rev.

James R. Craddock of the host church.

The choir and a soloist from Central Christian Church will provide special music.

The service is being held to provide an opportunity to share in thanksgiving as the leaders present the topics of "The World and Nature," "Freedom and Our Nations," "Freedom and Brotherhood," "Family and Home" and "The Saving Power of Christ."

In presenting five areas of life for thanksgiving, the struggles and hardships of our forefathers will be pointed out.

Members of Protestant churches in Venice and Madison are being invited to participate in the service at the Venice Methodist Church.

Rev. D. G. Love, pastor of the host church, will deliver the Thanksgiving sermon.

INITIAL PENSION RECIPIENT Lloyd Ridge (left), 2411 State street, is shown receiving a check from Charles W. Hook (center) and Joe G. Vargo (right), trustees of the new pension program of Meat Cutters Local 534. About 2000 members in an eight-county area are covered by provisions of the plan.

Saturday, November 26, Expanded Direct Distance Dialing Comes to East St. Louis and Belleville and coin telephones in Granite City and Edgemont

Now Direct Distance Dialing, world's fastest Long Distance telephone service, is expanded to include person-to-person, credit card, collect and coin phone calls as well as station-to-station calls.

EDDD SPEEDS MOST TYPES OF LONG DISTANCE CALLS

If you've ever used Direct Distance Dialing, you have probably experienced the ease, speed and wonderful sense of "nearness" it brings to your out-of-town calls. While DDD has been

limited to station-to-station calls, new Expanded DDD will include all major types of Long Distance calls.

EDDD IS EASY TO USE

Just a few turns of your telephone dial sends your call on its way. In a matter of seconds you are talking to a friend or relative in virtually any place in the country. The panel below shows you how to place each type of EDDD call. EDDD is almost as easy as calling a neighbor in the next block. Try it, and see.

HOW TO USE EDDD FOR MOST KINDS OF LONG DISTANCE CALLS

STATION-TO-STATION. Dial "1" . . . then the Area Code for the city you want . . . then the telephone number you wish to reach. That's all. No charge for wrong numbers. Just report a dialing error to the operator when it occurs.

PERSON-TO-PERSON. Dial "zero" . . . immediately followed by the Area Code for the city . . . then the telephone number. When the operator asks, give her the name of the person you're calling. There's no delay, your call is speeding on its way while you talk to the operator.

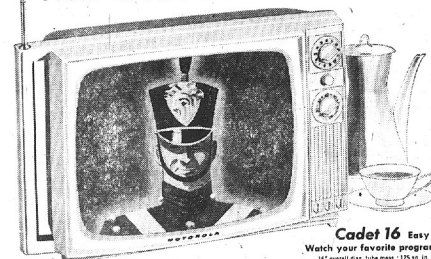

CREDIT CARD CALLS. Dial "zero" . . . immediately followed by the Area Code for the city . . . then the telephone number. When the operator asks, give her your credit card number and tell her what type of call you wish to place . . . whether station-to-station or person-to-person.

COIN PHONE CALLS. Dial as you would from any other telephone. The operator will assist you as necessary in completing your call and ask you to deposit the correct amount for the call.

Attorney Morris Chapman was guest speaker Monday evening at a meeting of Drusilla Andrews chapter, Daughters of the American Revolution, held in the home of Mrs. Glenn Whyers, 3038 Colgate place. His talk dealt with "Revolutions."

Mrs. Harry Johnson, regent, presided over the meeting, which opened with the usual ceremony, the pledge to the flag and prayer.

Mrs. Eva Meier read the monthly message of the president of the DAR which concerned the diamond jubilee of the organization and the commemoration ceremony of the national society which Mrs. Johnson attended in Washington, D. C.

Mrs. John Tate offered a Thanksgiving prayer and plans were made for the next meeting, a Christmas party in the home of Miss Anna Wilcox in Venice Dec. 19.

A new member, Mrs. Ralph Wilson, has been welcomed by the chapter. Twelve were present at Monday's meeting.

MISS PHYLLIS ABELL, who will become the bride of Donald E. Bellman. The engagement of the couple is being announced by the bride-elect's mother, Mrs. Margaret Abell, 2500 Adams street. Mr. Bellman's parents are Mr. and Mrs. Roy E. Bellman, 2800 West 20th street.

Phyllis Abell To be Married

Mrs. Margaret Abell, 2500 Adams street, is announcing the engagement of her daughter, here, the bride-to-be in the office of Southwestern Bell Telephone Co. Wedding plans have not yet been made.

Temporary Road Near New School Proposed

Engineering work for construction of a temporary roadway to connect Maryville road and Stratford lane near the Parkway grade school and Peace Lutheran Church was authorized by city council Monday night in response to petitions signed by residents of the neighborhood.

A motion that surfacing and ditching specifications be prepared was authorized by a "yes" vote by Mayor Parney after the 16-man council cast an 8-4 tie vote on a motion by Sixth Ward Alderman Gerald Parney that preliminary steps for construction of the roadway be taken.

Petitioners informed the council that traffic congestion on Maryville road before and after school hours creates a critical problem that could be eliminated by the proposed connecting roadway, which would route traffic out of Maryville road to Stratford Lane.

There has been only one access street, with little room to turn a vehicle around. It leaves children to cross Stratford and walk several hundred feet to the school.

Alderman Edmund Bartoski protested immediate action on the proposal, contending there is no budget provision for the work. Alderman Gene Sternberg, chairman of the Street Committee, said the small amount of money involved could be paid out of the street and alley contingent fund. Bartoski asked the council to wait until next year.

Voting against the proposal were Nomm, Whitmer, Basarich, Bartoski, Boyd, Moerlin, Robertson and Poulos. Voting in favor were Rutledge, Sternberg, Johnson, Parney, Fry, Dallas, Green and Thompson.

Nameoki Road Encroachments. Sternberg told the council, the Street Committee report that "we are not progressing as we should" on the clearing of encroachments from the right-of-way for the south section of the Nameoki road improvement.

He said 60 parcels of right-of-

way have been obtained. 14 others are ready for final signatures and agreements have been reached to other others.

He noted this makes a total of 78 parcels on which negotiations are complete. A total of 112 parcels are to be obtained to clear the right-of-way for widening of the road from Madison avenue south to Route 162.

The Illinois highway division is expected to schedule the job for construction in 1967.

Sternberg said that the talk of removing encroachments from available right-of-way "as we go along" has been allowed by the fact that Leo Konzen, former assistant city attorney who has volunteered his services to aid the city, is unable to devote the time he would like. He suggested that Norman Kinder, assistant city attorney, be assigned to aid the encroachment removal work.

Award Drainage Job. The council, on Sternberg's motion, awarded a contract to A. H. Seebold Co. in the amount of \$1945 for a sewer line in the 3100 block of Madison avenue to carry off surface water that now partially floods the street during heavy rains. The contract is subject to an agreement for an easement through property of the Red Barn drive.

The lone bid of A. H. Seebold Co. in the amount of \$15,045 for a Clark avenue drainage project west from Madison avenue was rejected on Sternberg's recommendation and the city clerk was instructed to readvertise as soon as possible.

The Seebold Co. was the only bidder Oct. 17 and the Street Committee report the bid was too high. Sternberg said he was consulting engineer Paul Hagler concerning with Seebold in an attempt to obtain an adjustment,

but said they were unable to do so under the specifications as originally advertised.

Sternberg reported he also had talked with plant officials at American Steel Foundries concerning crossing conditions of rail tracks and long stoppages caused by switching trains on the American Steel tracks and on a line used by Union Starch & Refining Co.

He said he was told repairs are being made on the track crossings and that train crews are to be notified to provide breaks between switching operations to clear traffic.

Approve \$8167 Contract. A contract for the Palmer street drainage project from Nameoki road eastward in the amount of \$8167 was awarded to A. H. Seebold Co. Action on the award previously was deferred.

Alderman Whitmer cast the only dissenting vote. He said the council also authorized additional costs for asphalt, at the regular unit price, for track removal projects on Niedringhaus and Washington avenues, and the 23rd street curb and guttering project.

The city received only one bid on a rock crusher. Sternberg told the aldermen, it was submitted by O. B. Avery Co. of St. Louis, but included prices on several different types of varying specifications. Sternberg said the Street Committee wanted more time to study the bid before making a recommendation.

Hubbell Metals, Inc., located in the Granite City Industrial Center, asked the city to consider a 16th street project along the Terminal tracks adjacent to the center. The company's letter said the street "is beyond condition where it is usable and presents a real hazard."

It may be true that time is money, but it isn't so scarce. Good resolutions never die—they just fall by the wayside.

State Capitol NEWS

Farm Exports Leader

Illinois led all other states in the total value of U. S. farm exports during the 1965-66 export season. The value of Illinois exports, \$666 million, was \$171 million more than that of each of the two states that tied for second place in this valuation.

Total value of U. S. farm exports during the period was \$6,681,000,000, more than one-fifth of total world farm exports and more than any other country. This is a record high, surpassing by 10% the previous year.

California and Texas each accounted for \$485 million in value of farm exports, tying for second place. "We are confident of our assets and realize the vital need for our state, as well as for the entire nation, to continue to increase farm exports as world demand increases for our products," Robert M. Schneider, director of the Illinois Department of Agriculture, said.

More Pheasants. Hunters who went into the field in east-central Illinois for the opening of the pheasant season found a few more pheasants than in 1965, according to biologists of the Illinois Natural History Survey and the Illinois Department of Conservation.

They estimate a 10% increase in the number of cock pheasants available to hunters on the 36-square-mile study area in Ford and McLean counties. Each year wild pheasants are captured and marked with leg bands and colored plastic back tags in order to study their behavior. Hunters are requested to return any tags and bands to Pheasant Research, Illinois Natural History Survey, Urbana, along with the date and location where the bird was killed or found.

The pheasant season extends to

Dec. 11 with a daily bag limit of two cocks. Shooting hours, except for opening days, are from sunrise to sunset.

Salmonella Warning

Dr. Franklin D. Yoder, director of the Illinois Department of Public Health, has urged all persons having Stariac dry milk products in their homes not to use them. They should be returned to the stores from which they were purchased.

The U. S. Food and Drug Administration has discovered salmonella organisms in some of the products. These organisms produce a gastro-intestinal infection, causing diarrhea and stomach cramps, sometimes with serious consequences.

Dr. Yoder has ordered an immediate reinvestigation of the 15 plants in Illinois producing dry milk. Laboratory tests will be performed on samples to check the extent of contamination.

Underground Storage Doubles. Underground gas storage in Illinois has doubled in the last five years, according to an interim report made to the state Board of Natural Resources and Conservation by John C. Fry, chief of the Illinois State Geological Survey.

Storage reservoirs have grown from 11 to 22 and capacities have increased from 189 to about 340 billion cubic feet of gas. On the coldest days in winter about half of the gas used in the Chicago area comes from underground storage.

Undergoes Surgery. Mrs. Haroldine Ross of Collinsville, formerly of Granite City, is a patient in St. Joseph's Hospital, Highland, where she underwent gall bladder surgery today.

Man Fined \$50, Costs

David A. Poyner, 2142 Edison avenue, has been fined \$50 plus \$5 costs by Magistrate Matieson on a charge of illegal transportation of liquor. The charge was filed Nov. 14 by Granite City police.

Tractor Battery Damaged. Steve Benko, 2440 Iowa street, reported Monday afternoon that someone had damaged an eight-volt battery while trying to steal it from a tractor parked in a fenced lot behind 2600 Center street during the weekend.

Kind words never die — and the other kind live on forever.
